Letter from the President

Over the last few years the Club Board has been working hard to find ways to encourage the elders of our neighborhood to become more fully engaged in club activities. Many of the senior members of our community have been long time residents, and have helped to build the Club into the focal point of our neighborhood; others are more recent and welcome additions to the neighborhood.

The Board believes that encouraging the Club to be a multi-generational gathering place and amenity is beneficial to us all, young and old alike.

To that end for the first time last year the Board enacted an emeritus guest pass to those 65 years of age and over.

The emeritus pass allows the bearer to use the Club facilities 15 times during the season at a reasonable rate. Last year 39 residents took advantage of the program.

We are happy to report that this year to date 44 folks will be participating. For more information on this program please contact our membership secretary Meris Sparrow.

At our March meeting the Board discussed and then enacted a new membership rule that we hope will further encourage multi-generational participation in the Club. Initiation fee(s) shall not be applied to Carderock home purchasers 65 years old or older.

We hope that you will share our enthusiasm for the value our seniors add to our Club and we look forward to seeing everyone at the Club this summer.

WIDER CIRCLE

A million thanks to everyone who participated in the Wider Circle collection day in late April. The truck was packed to the roof when we closed up plus ten or more furniture pick-ups were done around the neighborhood as well. Many, many low-income families in the region will benefit from your generosity. For a look at the organization and their varied programs, go to www.awidercircle.org.

Again thanks one and all!
Anne Thompson

KINDERGARTEN ORIENTATION will be held at Carderock Springs Elementary School on May 9 from 9 A.M. to 3 P.M. Call the school for a registration packet - 301 469 1034. Your child is eligible to attend kindergarten if he/she will be 5 years old on or before 09/01/07.

FLOWERS DONATED TO THE CLUB

Next time you visit the Club, be sure to notice the beautiful New Guinea Impatiens planted in the brick container by the front door. And then take a peek around the corner to see the containers of Petunias and New Guinea Impatiens on the tables on our lovely new tennis patio.

The flowers were donated, and the planting was done by Carderock Springs Elementary School 2nd grade Brownie Troop 1387 as one of their first community service projects. And to just say thanks to the Club for the wonderful meeting space.

DOG OWNERS

Please pick up after your dog (it's the law), whether you are walking on the Still Spring/Peck Place/Magruder loop or the Hamilton Spring/Fenway/Lilly Stone loop or elsewhere. Don't expect other people to do your job. There are a lot of young children in Carderock now who should be able to play outside without having to step into dog poop.

Tennis News

The warm weather has finally arrived and the tennis activity is heating up for the summer! Stop by and check out what's going on or call us.

We are running all of our spring programs from the 1st of April until the first week of June. Juniors can still sign up at a discounted rate. If other activities conflict, kids can do only part of the session. Classes will be prorated accordingly.

We will be conducting a junior ladder for the summer; both boys and girls will be able to participate. It will be ongoing from the middle of June until the middle of the August. Stop by the tennis courts for details and to sign up!

JUNIOR TENNIS TEAM

Calling all juniors! We are currently signing up all juniors for our summer tennis team. We will practice once a week and have matches once a week. All levels of players are encouraged to sign up. Don't worry if you travel in the summer, you don't have to be here for all the matches.

JUNIOR WORLD CLASS ACADEMY

Kris Barns and Ryan Freeman will be conducting a daily 2.5 hour tennis academy from 9:30am to 12 noon during the summer. The academy will be geared towards a more serious player. Intense drill sessions as well as supervised match play will take place. Students will also be put through a rigorous conditioning program to improve footwork and mobility on the court. Video critiquing will be used to better help the players. Interested players should contact the Pro Shop as soon as possible for details. Space is limited.

Junior Sports Camp

We will be offering a new camp this year for juniors interested in learning sports in a not so intense structure. The camp will include tennis, hockey, basketball, waffle ball, and swimming. The time is 1-4 pm starting June 18th. It will run until the end of the summer. Sign-ups are on a weekly basis with a cost of \$150 per week. Stop by or call the shop for details.
