It's finally Spring - so, let's get out of the house to enjoy some good food and good company, while supporting our local Bethesda grass-roots outreach program, helping impoverished women in Uganda start new businesses and new lives. This is WMI's one annual fundraiser - contributions in any amount are welcomed and will be put to good use fighting global poverty. Please join us to:

- share homemade specialties and fabulous company

- hear about the progress of the borrowers
- see videos of their business activities
- support woman-to-woman international outreach

Last names A - R please bring appetizer/main dish and S-Z dessert; wine and soft drinks are provided.
RSVP and INFO: staudaher@verizon.net or rgnietert@aol.com

Founded just one year ago with the support of many area residents, WMI has made tremendous strides in fighting global poverty through its women's microlending program in Uganda. Nearly 400 loans have been issued and the rotating loan fund is approaching \$50,000 - the borrowers and their families are thriving and they continue to maintain a 100% loan repayment rate. The initiative should be self-sustaining by the end of the year, and Widow's Associations in Zambia, Rwanda and Kenya have contacted WMI about helping them start their own microfinance loan programs.

Come and hear about the progress of WMI borrowers and celebrate their accomplishments. See how your support is changing the face of poverty, one loan at a time. If you can't attend but would like to contribute: www.wmionline.org

FAREWELL

Former Vice President of the Carderock Springs Citizens' Association for five years, Malcolm Head of 8300 Fenway Road, died of metastatic lung cancer on February 27, 2009. Born on March 29, 1926, in Syracuse, New York, he left Syracuse University to enlist in the U.S. Army and served in Europe during World War II. After the war, he married and raised four children in Ithaca, New York, while working in the natural gas industry. Malcolm graduated from Ithaca College in 1971 and began a second career as a high school history teacher at Dryden High School, Dryden, New York, where he later became head of the Guidance Department. After he retired in 1996, he relocated to Carderock to be near his daughter Mary and her two children. Malcolm was an avid gardener and a great chef. Family and friends will remember him as a person who was immensely likeable, exceptionally kind and a source of strength, stability and calm. A devoted husband, father and grandfather, he is survived by his wife Doris, their four children, Mary S. Head, of 8332 Fenway Road, Anne L. Head, of Yarmouth, ME, Elizabeth J. Head, of Rockville, MD, and Christopher J. Head, of Denver, CO, and four grandchildren. Carderock sends condolences to the entire Head family.

Still Spring Court resident Ervin Bognar passed away December 22 at age 97 $\frac{1}{2}$. Born in Hungary in 1911, he emigrated to Latin America where he was a textile engineer and managed large textile plants in Columbia for 27 years and Venezuela for 20 years. He eventually moved to Bethesda to be near his daughter and her husband. He met his 2nd wife Margit when they were each widowed and happened to attend the same exercise class over a dozen years ago. Ervin was a lovely man and wonderful person who swam daily until age 95 $\frac{1}{2}$. He leaves behind his wife Margit, a daughter, 2 grandchildren, and 6 great-grandchildren, some of whom live locally and some in Hawaii. Carderock sends condolences to the entire Bognar family.

Junior Tennis Program SPRING 2009

I am very excited to announce the following junior programs for the Spring Session here at Carderock Springs. As a tennis professional I have worked extensively with juniors of all levels and age groups, which range from beginners to national and collegiate players. I am confident that the junior programs listed below will not only increase each player's skill level, but also their confidence and fitness levels.

Tournament Training (Advanced Clinic):

This clinic is designed for the tournament player. Each clinic will include a warm-up, specialized drilling (live-ball), match play, and intense fitness. My method of conducting the Tournament Training Program has led to many juniors becoming highly ranked in both the section and the nation. Juniors must be actively participating in Mid-Atlantic Tournaments in order to join.

Players on the Rise (Intermediate Clinic):

Perfect clinic for junior players whose goal is to become a tournament player, or a more serious player. Each clinic will include a short warm-up, drills (fed-ball), match play and fitness. This program will help develop a more consistent player through repetition and specialized instruction.

Up and Comers (Beginners/Low Intermediate):

Clinic is designed to develop proper technique as well as the understanding of the game of tennis. Clinic will include an abbreviated warm-up, stroke specific drilling, and games. Through this program student will gain a solid base for future development as well as an understanding for how to keep score and play matches.

Tiny-Tots (Kids ages 4-7):

Introductory clinic, designed to develop motor skills and cognitive learning. Focus will be on hand-eye coordination, basic stroke technique, and enhancing each child's interest in the game of tennis. This is the perfect program for a young beginner to start the game of tennis and create an interest that will last a lifetime.

Are your kids' old sports uniforms filling up your closet? My name is Daniel Grossman and I live in the neighborhood. I am collecting gently used soccer and baseball uniforms for kids in underprivileged parts of the world. I am doing this on behalf of a nonprofit called Sports Gift. They are able to use all of the following: Uniforms, cleats, shin guards, goalie gloves and jerseys, air pumps, practice pennies, baseball mitts, baseballs/softballs, and warm up suits. If you have any of these to give away, please email me at 4evrredsox@gmail.com or call me at 301-469-1699, and I will pick up your items and arrange for their shipment. Thank you for your help!
