## Carderock Springs Swim and Tennis Club MEMBERSHIP News

---

On Feb 1 membership renewal forms are mailed to every house that is eligible for Sustaining Member Type 1 memberships. If you receive an enrollment form with the incorrect information, please contact me so I can update the database with your information and answer any questions you may have.

The following is a description of the membership categories and how they work, as well as a description of our Emeritus Guest Privilege. If you have questions regarding any of these matters, please contact me at [alisonhewing@aol.com](mailto:alisonhewing@aol.com)

### **Sustaining Members Type 1**

The 404 original homes in Carderock Springs are Sustaining Members Type 1 of the Carderock Springs Swim Club (CSSC). Sustaining Members Type 1 are either active or inactive depending on whether the people living in these homes have paid the annual membership dues. Sustaining Membership Type 1 is only available to the current residents of the 404 eligible houses and does not follow those residents after the sale or rental of one of these homes. However, Club membership (with more limited voting rights) is available to anyone who rents one of these homes. As of February, 2003, following the sale of a house eligible for Sustaining Membership Type 1, a \$1000 activation fee must be paid before the new owners can activate their membership. If the owners choose not to activate their membership in the year of purchase, they may choose to do so in any following year.

**Dues for the 2010 season for Sustaining Members Type 1 are \$695.**

### **Sustaining Members Type 2**

A limited number of additional Sustaining Memberships have been made available to residents of near-by communities. This class of membership is referred to as Sustaining Members Type 2. Starting in 2006, obtaining Sustaining Member Type 2 membership status requires a non-refundable activation fee of \$1000 plus a \$1,500 refundable capital contribution. This fee grants the household limited voting rights, entitles the household to the same annual membership dues as Sustaining Members Type 1, and allows the member to become inactive in one or more years while retaining the right to rejoin the Club as an active member in subsequent years. If a Sustaining Member Type 2 decides to leave the Club, their capital contribution fee is refunded. Written requests for this type of membership should be submitted to the Board of Directors of CSSC, where they will be considered at their next monthly Board meeting.

**Dues for the 2010 season for Sustaining Members Type 2 are \$695.**

### **Senior Members**

A reduced rate for Senior Citizens (defined as households of 2 or 1, at least one of whom is 65 years old or older) is available for both Sustaining Memberships Type 1 and Type 2. This class of membership is for unlimited use of the facilities throughout the season.

**Dues for Seniors for the 2010 season, in Sustaining Member Type 1 and 2 categories are \$590.**

---

## Membership cont, and Farewell

---

### Annual Members

All members who do not hold Sustaining Memberships Type 1 or 2 are considered Annual Members. Annual Members do not have voting rights and must return to the waiting list if they go inactive for a year. The waiting list for Annual Memberships is made available in the following order or priority: 1) Families who have taken a Guest Preview Privilege in the previous season. 2) residents in neighborhoods in the Carderock sub-division; 3) in the immediate vicinity of the Carderock Springs and Carderock Springs South neighborhoods; 4) residents of the Whitman school district; 5) all others.

**Dues for Annual Members for the 2010 season are \$840.**

### Emeritus Guest Privileges

Emeritus Guest Privileges were established in 2006 to encourage the participation of Senior Citizens in the community who are Sustaining Members Type 1 or Type 2 but who do not wish to purchase a full senior membership. This privilege, which will permit the occasional use of the facilities, is limited to Sustaining Members Type 1 and Type 2 households having no more than two persons, each 65 years old or older. Each senior member of the household will be entitled to 15 days use of the club's facilities. Emeritus Guest Privileges are not transferable among family members. Guests (e.g., visiting grandchildren) are still required to pay the regular guest fees. Emeritus Guest Privileges may be purchased for \$100 and must be purchased by the March 1<sup>st</sup> membership renewal deadline. A list will be kept at the front desk where Emeritus Guests will be asked to sign in when visiting the club.

### Preview Guest Privileges

In order to encourage potential applicants, and give them a chance to become familiar with the swim and tennis club, we offer a Preview Guest Privilege. This will allow use of all the facilities beginning August 1, at a cost of \$300. This preview of the club is a ONE TIME ONLY privilege that may not be repeated for other members of any household who has declined an invitation to purchase a membership. Applications for Preview Guest Privileges can be requested by e-mail at [alisonhewing@aol.com](mailto:alisonhewing@aol.com) beginning May 1, and will be accepted on a first come first serve basis.

## FAREWELL

Carderock sends condolences to the **Pinto** family of Tomlinson Ave, South Carderock, on the passing of their mid-20s daughter **Claire** in mid-December. She died peacefully in her sleep. Her voice, youthful spirit and perseverance will be remembered fondly.

Dear Carderock neighbors  
and alumni families,

My name is Shelby. I'm a Kindergartner at Carderock. I love it. My parents tell me that everything I'll ever need to know, I'll learn in Kindergarten. So, this is what I've learned so far:

- "Literacy Stations" are more fun than playdough.
- Principal Palmisano lives in the White House.
- When boys kiss you on the bus, it's gross.
- My Mom's 4<sup>th</sup> grade teacher Mrs. Veihmeyer still works at our school!
- The lunch room has chocolate milk.
- My teacher Ms. Noonan is nicer than my Mom, but not my Grandma.
- Our new school is going to be "green," I would have preferred rainbow colors.
- Every day I'll read my name engraved on a brick at my new school next year! - Shelby

My name is Karen Roman (Karen Eason, Carderock Class of '85)! I'm also known as Shelby's Mom or Anne Eason's daughter. Our new eco-friendly school will be a wonderful asset to the neighborhood. We invite you to help lay the foundation by purchasing a commemorative brick. Your personalized brick can honor a past, present, or future Carderock star or proud neighbor of our "Blue Ribbon School of Excellence." The engraved bricks will be used to create a border in the outdoor Habitat Garden, pending final approval. The money raised will support the students and faculty at CSES and its new building and grounds. Thanks! - Karen

## Carderock Springs Elementary School Educational Foundation

---

Terrific progress is being made on Carderock Springs Elementary School's new building which is slated to open for the school year 2010-11. The roofing is nearly complete, installation of windows is beginning, and trusses in the gym and multi-purpose room have been set. The "substantial completion date" for our new school is July 7, 2010. The school has been built with a focus on being environmentally-friendly and is hoping to obtain LEED silver certification.

The Carderock Springs Elementary School Educational Foundation, with generous support from parents and the community, has played an important role in raising money to fund, and advocating for, the substantial renovation upgrades. Some of those are:

- **Habitat Garden** with seating as part of a retaining wall to accommodate at least one classroom. A path of memorial bricks (more information below and on previous pages) will frame the garden.
- **Amphitheater** located on the fairly steep slope behind the school and with a seating capacity likely to seat 2 full grades. This is a solution to the grading of the hill and a resource for the entire community.
- **Upgraded Carderock School Sign** faced in Carderock stone and will be viewable approaching the school from either direction
- **Terrazzo Tile Lobby Flooring** adds durability in a high-traffic area and will reduce long-term maintenance and replacement costs, freeing up future CSES school funds for educational purposes.
- Stone Base Around Front Columns of School with Carderock stone.

The PTA will sponsor a very special 'new school opening' event for all students, parents and staff members either immediately before or on the normally-scheduled "Open House" day which falls the day before the first day of school. Neighbors and alumni families will be invited.

There will be several fundraising efforts coming up, including a silent auction in the spring. In addition, we hope that you will consider purchasing a commemorative brick (or two or three) to help support the school and the Foundation's efforts. The current plan, subject to approval, is to use the bricks to create a memorial border around the Habitat Garden. A donation form follows, and the deadline is January 31, 2010. If you are not interested in purchasing a brick but would otherwise like to support the Foundation's efforts, you can find a general donation form at [www.csesef.org](http://www.csesef.org). All donations are tax-deductible!

Thank you for all your generous support and for your patience during the construction phase. If you have any questions, please feel free to contact one of the Foundation Board members, including your Carderock neighbors Lisa Stevenson, Stephanie Angrick, and our brick coordinator extraordinaire, Karen (and Shelby) Roman.
