**CONSTITUTION AND BY-LAWS
OF THE
CARDEROCK SPRINGS SWIMMING CLUB, INC.**

*(as Revised in 2005 to conform to the Articles of Incorporation,
reflect current membership realities, and provide for the efficient operation of the Club; and as Amended in 2008
pursuant to Article 6, Section 4 hereof)*

ARTICLE 1: NATURE, PURPOSES, AND OWNERSHIP OF THE CLUB

Section 1: Legal Nature of the Club

The Carderock Springs Swimming Club, Inc. ("Club") is a non-profit membership corporation organized in 1964 under the laws of Maryland (having a federal tax status as a Section 501 (c) (7) club), owning and operating a community swimming and tennis club located at 8200 Hamilton Spring Court, Bethesda, Maryland 20817, pursuant to a special exception from residential zoning granted by Montgomery County which sets limits on the number of memberships and use of the Club facilities.

Section 2: Purposes of the Club

The Articles of Incorporation¹ of the Club state:

"The purposes for which the Corporation is formed are:

1. To organize and operate a swimming club exclusively for pleasure, recreation and other non-profit purposes, no part of the net earnings of which shall inure to the benefit of any private individual.
2. To promote the welfare of the Carderock Springs community, of Montgomery Country, Maryland, by maintaining and operating a swimming pool and other recreational facilities for those residents of the community (and their families and guests) who become sustaining members of the club.
3. To buy, lease, or otherwise acquire real estate and to construct thereon and maintain and operate a swimming pool, bath house, tennis courts, parking facilities, and such other recreational, social and civic facilities as may be deemed desirable by the board of directors.
4. To acquire, own, lease, hold and improve real and personal property, to mortgage or otherwise encumber and to sell, exchange or otherwise dispose of the same; to invest and reinvest the funds of the Corporation; and to do and perform any and all lawful acts necessary to carry out any of the foregoing purposes."

¹ The Articles of Incorporation were signed on June 12, 1964, and duly approved on June 16, 1964, recorded in Liber 423, folio 495 of the Charter Records of the State Department of Assessments and Taxation of Maryland. They were amended by Articles of Amendment recorded April 21, 1966, Liber 117, page 205. Articles of Revival were approved December 21, 1982, recorded in Liber 2567, folio 2099.

Section 3: Material Provisions of Articles of Incorporation

(a) Voting Rights – Pursuant to the Articles of Incorporation of the Club and an Agreement signed November 14, 1967, between the Club and the Founding Members, ownership of the corporation was vested in the “Sustaining Members” of the Club, being those houses in Carderock Springs for which Edmund J. Bennett, the Founding Member and developer of the subdivision, had contributed capital to the corporation, plus those houses for which capital contributions to the corporation had otherwise been made individually, the purpose being to anchor the club’s ownership permanently in houses in the Carderock Springs subdivision. The Articles of Incorporation provided that after relinquishment of control by the Founding Members, “Thereafter all voting rights shall be vested in the Sustaining Members, with each such member being entitled to one vote.”

(b) Non-Profit Nature of the Club – The Articles of Incorporation provide that “The Corporation is not authorized to issue capital stock” and that “The Corporation shall not engage in any business for the purpose of deriving a profit.”

(c) Management in the Board of Directors – Management of the Corporation is vested in the Board of Directors by the Articles of Incorporation, which set the initial number of directors as three, but provides that “The number of directors may be increased at any time by majority vote of the voting members, but may not be decreased to less than three.”

(d) Transfers of Sustaining Memberships – The Articles of Incorporation provide that “No Sustaining Member of the Corporation shall sell, assign, or otherwise transfer his membership in the Corporation except as provided in the By-Laws.”

ARTICLE 2: MEMBERSHIPS

Section 1: Categories of Membership

(a) The categories of Membership in the Club are as follows:

Sustaining Memberships – Type 1. Memberships of households for which the Bennett Companies or the original owners of Bennett homes made Capital Contributions at the time of construction of the Club and which Memberships are covenanted to run with the land,

Sustaining Memberships – Type 2. Memberships of households on behalf of which Capital Contributions were made to the Club, subject to the proviso that the Membership did not run with the land but may be reacquired by the Club, as provided in Section 3(b) of this Article 2, and

Annual Memberships. Memberships issued annually by the Board of Directors in lieu of Inactive Sustaining Memberships.

(Unless otherwise stated, the term Sustaining Memberships herein shall mean all households holding either a Sustaining Membership Type 1 or Sustaining Membership Type 2.)

(b) A Sustaining Membership shall be classified as either **Active** or **Inactive** based upon the decision of such Membership to pay dues for any Activity Year (defined in Article 9, Section 1). All Annual Memberships shall be classified as **Active**.

(c) The total of Active Memberships of the Club in any given year shall not exceed 425.

Section 2: Rentals of Houses Holding Sustaining Memberships

(a) If an Active Sustaining Membership rents or leases its house to a tenant, the tenant, upon the payment of all dues, assessments, and other charges may exercise the privileges of Membership, but not the right to vote in the Sustaining Membership's stead unless a written proxy is lodged with the Secretary by the Membership. Notification of such rental or lease shall be provided to the Secretary by the Sustaining Membership.

(b) If an Inactive Sustaining Membership rents or leases its house to a tenant during an Activity Year, the tenant shall have no right to become an active member during the current Activity Year but may apply for such Membership as may become available during that Activity Year in the priority provided for in Article 2, Section 4. Such tenant, upon the concurrence of the Sustaining Membership provided to the Secretary, may choose to be an active member, in the place and stead of the Sustaining Membership, for subsequent Activity Years during the period of the tenancy.

Section 3: Sale of Houses Holding Sustaining Memberships

(a) Sustaining Memberships-Type 1 are covenanted to run with the land and the sale of a house possessing a Sustaining Membership-Type 1 shall result in the automatic transfer of the Membership to the purchaser of the house. Activation of the Membership is subject to the payment of an activation fee, all arrearages on assessments as provided in Article 3, Section 4, and any other indebtedness to the Club. All dues, activation fees and other payments made for the Activity Year in which the transfer takes place which shall be credited to the purchaser, and the person having made such payment shall have no right to refund.

(b) A Sustaining Membership-Type 2 may not be sold, transferred, or assigned, except for rentals pursuant to Section 2 of this Article 2, without first being offered in writing for sale to the Club at a price equal to the Capital Contribution paid to the Club for that Sustaining Membership, less any outstanding arrearages on assessments as provided for in Article 3, Section 4, and any other indebtedness to the Club. When a Sustaining Membership-Type 2 has been reacquired by the Club pursuant to a decision by the Board, the Board may then sell the acquired Sustaining Membership-Type 2 to a new household. The sale price for such a Membership shall be determined by the Board and may consist of both a Capital Contribution (which is refundable) and an activation fee (which is not refundable). If the Board does not reacquire the available Sustaining Membership-Type 2 within sixty (60) days, it may be sold or transferred by the original owner to any person accepted for Membership by the Board. All dues or other payments made by the owner of such a Membership for the year in which the transfer takes place shall be credited to the transferee, and the owner that made such payments

shall have no right to refund. A Sustaining Membership-Type 2 that is transferred or sold by the original owner rather than being repurchased and sold by the Board can be activated by the new owner only upon payment of any arrearages on assessments as provided in Article 3, Section 4, and other indebtedness of the transferring owner to the Club. It is the responsibility of the new owner of the Membership to notify the Membership Secretary of the transfer and to make all payments due for activation of the transferred Membership.

Section 4 Guidelines and Priorities for the Sale of Memberships

(a) The Board, upon the recommendation of the Membership Secretary, shall annually determine whether it has available for sale: 1) Sustaining Memberships-Type 2 by virtue of their return to the Board pursuant to Section 3 (b) of this Article 2, or for other reasons as determined by the Board; and 2) Annual Memberships by virtue of Inactive Sustaining Memberships. In offering these Memberships for sale, the Board should consider both the geographic location of the potential new member and the longevity of that household's past membership in the Club as follows:

(1) For purposes of determining what households should have priority for purchasing any available Sustaining Memberships-Type 2, the Board is encouraged to give priority to households that live in close geographic proximity to Priority One Carderock Springs subdivision as defined in the subsection (b)(1) herein; and

(2) For purposes of determining what households should have priority for purchasing any available Annual Memberships, the Board is encouraged to give priority to households that have previously held Annual Memberships, particularly bearing in mind the applicant's longevity of membership in the Club, followed by geographic proximity to the Club.

(b) In considering geographic proximity, the Board is encouraged to consider the following priorities:

(1) Priority One: Households in and in the immediate vicinity of the Carderock Springs and Carderock Springs South subdivisions, including Fenway Road, Fenway Drive, Hamilton Spring Road, Hamilton Spring Court, Glenmore Spring Road, Glenmore Spring Way, Park Overlook Drive, Park Overlook Court, Still Spring Court, Magruder Mill Court, Peck Place, Carderock Drive, Carderock Court, Stone Trail Drive, MacKenzie Court, Clewerall Drive, Comanche Court, Lilly Stone Drive, Thornley Court, Tomlinson Lane, Osage Lane, Edenwood Court, Barkwater Court and Buxton Terrace, Persimmon Tree Lane, Persimmon Tree Road north of Caraway Street and south of the northern intersection of Persimmon Tree Lane, and Kachina Lane;

(2) Priority Two: households in the Whitman School district; and

(3) Priority Three: other households on the waiting list.

(c) In a situation where these guidelines are judged to be of equal consideration, priority should be given to the household that filed earliest. Applicants who believe their situation warrants an exception to the above guidelines and priorities may submit a letter to the Board of Directors requesting review and alteration.

Section 5: Limited Guest Privileges

(a) The Board is authorized to grant:

(1) Guest Privileges to the holders of all categories of Membership (except to Inactive Sustaining Members) in such numbers as the Board may determine annually;

(2) Preview Guest Privileges to the households of those who put their names on the waiting list and pay such fee as the Board may determine, in order to encourage applicants for Membership. Preview Guest Privileges shall be a one-time only privilege which shall not exceed two months duration and may not be repeated for other members of any household which has declined an invitation to purchase a Sustaining Membership or Annual Membership; and

(3) Emeritus Guest Privileges permitting limited use of the swimming pools and tennis courts for households having no more than two persons, each 65 years old or older, who hold or have held Sustaining Memberships, on such terms and conditions as the Board may determine.

(b) Notwithstanding the foregoing, no one in the household of an Inactive Membership may use the Club's swimming or tennis facilities on a repeated basis as a guest of an Active Membership. In order to foster the spirit of community within Carderock Springs and neighboring communities, however, persons in the households of Inactive Memberships may participate in Club-sponsored community and social activities, but not to include use of the swimming pools and tennis courts.

Section 6: Suspension of Privileges

(a) The Board may suspend any person's right to use his or her household's Membership privileges, or may suspend the right to vote of that household's Membership on all matters except those provided in Article 8, Section 1, for violation of these By-Laws and for any delinquency in the payment of any indebtedness to the Club or capital assessment. In the case of delinquency in the payment of indebtedness to the Club, the Board shall give at least thirty days notice (as provided in Article 4, Section 2) of an intention to suspend if the indebtedness is not paid in full. The Board may also make additional provision for suspension for violation of Club rules and regulations, for periods not to exceed three months.

**ARTICLE 3: ANNUAL DUES, FEES,
OTHER CHARGES, ASSESSMENTS, AND CAPITAL CONTRIBUTIONS
TO BE PAID BY MEMBERSHIPS**

Section 1: Board Authorization to Set Payments by Memberships

The Board is authorized to fix the following dues, fees, other charges, and assessments to be paid by the Memberships:

- (a) Annual Dues for Sustaining Memberships and for Annual Memberships;
- (b) Fees for Guest Privileges, Preview Guest Privileges, and Emeritus Guest Privileges, activation fees, and for admission to a membership waiting list;
- (c) Fees and Charges for specific services (for example, temporary rental or use of the Club's facilities, refreshments);
- (d) Other fees and charges to provide for the operation and maintenance of the Club;
- (e) Late-fees for late payment of dues or charges;
- (f) Assessments (provided in Article 3, Section 4);
- (g) Capital Contributions to be charged upon the issuance of new Sustaining Memberships-Type 2.

Such fees, charges and assessments shall be established either in conjunction with the Budget process and Annual Meeting (Article 4, section 1(c)) or upon reasonable advance notice to the Memberships.

Section 2: Responsibilities of Each Membership

Each Membership shall be responsible for the payment of all dues, fees, charges and assessments applicable to that Membership, and for liabilities incurred by and for any damages to Club property caused by members of the household of such Membership and by guests sponsored by such Membership.

Section 3: Due Dates and Inactive Status

(a) The applicable Annual Dues for each Activity Year, as set by the Board for each category of Membership, shall be notified to every Membership in January, and shall accrue and be due and payable on the first of March of each year.

(b) All Sustaining Memberships and Annual Memberships paying the Annual Dues for such category of Membership for a given year shall be deemed Active Memberships for that year.

(c) Any Sustaining Membership may, on a year-to-year basis, take Inactive Status for any Activity Year by (i) giving notice to do so to the Club, or (ii) by non-payment of dues, which non-payment of dues shall not be considered a delinquency. Such Memberships shall be referred to as Inactive Memberships. Such an Inactive

Membership frees the Board to issue an Annual Membership, in place of the inactive one.

(d) Any Sustaining Membership that fails to pay the Annual Dues and any late fees by March 1st shall be notified that unless payment is received by April 1st, that Membership shall be deemed to have elected Inactive Status for that Activity Year. Any Annual Membership that fails to pay the Annual Dues and any late fees by March 1st, shall be notified that unless payment is received by April 1st, that Annual Membership shall simply cease, with no further rights with regard to the Club.

Section 4: Assessments

(a) The Articles of Incorporation, in Article Seventh, paragraph 3, authorize “assessments established or levied” by the Board against Sustaining Members.

(b) The authority of the Board to levy an assessment (defined as a significant one-time charge to augment the capital of the Club), shall be exercised only upon the affirmative vote of the Board, confirmed by a vote of the Membership as provided in Article 4, Section 5(d).

(c) The failure of a Sustaining Membership to pay any assessment duly levied in accordance with this Article shall result in the automatic suspension of that Membership from all rights and privileges of the Club. In the event of a transfer of that Membership pursuant to the sale of the house, the new owner must pay all arrearages of that Membership in the payment of assessments, plus reasonable interest on all such arrearages as determined in the discretion of the Board, before obtaining any further rights and privileges of Membership.

Section 5: General Principles Governing Charges to Memberships

In establishing the amount of the Annual Dues, Fees, Other Charges, Assessments and Capital Contributions authorized under these By-Laws, the Board shall take care that the aggregate amount of receipts from such sources are sufficient reasonably to provide for the expected operating expenses of the Club, the proper maintenance and improvement of the facilities, including maintenance and improvements to meet legal standards, any mortgage payments due from the Club, and other necessary expenses. All such Annual Dues, Fees, Other Charges, Assessments, and Capital Contributions established by the Board shall be exclusive of any taxes levied by Federal, State, or other governmental authority, unless expressly provided otherwise by the Board. The Board may differentiate the amount to be paid based upon different categories of Memberships, and may provide alternative means of payment.

ARTICLE 4: MEETINGS OF MEMBERS AND VOTING RIGHTS OF MEMBERSHIPS

By-Laws) is to be voted on, such notice shall be given at least thirty days prior to such meeting.

This report shall be posted on the exterior door or bulletin board of the Club nearest the parking lot, posted on the Club's website, if available, and be reported in the newsletter if published. Such postings shall also give notice of the date by which additional nominations by Petition must be submitted, which shall not be less than fourteen days prior to the Annual Meeting. Nominations by Petition for any Officer/Director shall be signed by at least ten Active Memberships, accompanied by a written statement of the nominee that the nominee will serve if elected, delivered to the Board not later than the date set by the Board for submission of such petitions.

Section 4: Quorum for Membership Meetings

At any meeting of the Memberships, a quorum shall consist of thirty Memberships present in person or by proxy which are eligible to vote on matters specified in the notice of the meeting. An email from a Membership to the Secretary, confirmed by responsive email to the Membership at an email address filed with the Membership Secretary pursuant to Article 4, Section 2(a)(i) with a "view acknowledgement" or similar confirmation, shall constitute a valid proxy.
