

TEXAS Watershed Steward

The Texas Watershed Steward program is a free educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

February 17, 2016:
8:00 am - 12:00 pm

Galveston County Texas A&M
AgriLife Extension Office
4102-B Main Street
La Marque, TX 77568

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Highland Bayou Watershed and efforts by the Texas Coastal Watershed Program and area residents to improve and protect it. Free continuing education credits are offered for a wide variety of professional disciplines ranging from licensed Texas Department of Agriculture pesticide applicators to select TCEQ occupational license holders. For a complete list of CEUs offered, or to register, visit our website or call the number below.
