Dear Catherine:

Thankyou so much for the generous donation to NORS. We appreciate it greatly. Your donation will go towards the many projects that we are currently undertaking. Your club will, of course, now be receiving CURRENTS in care of you. If there is another address you would like it sent to please inform us. Your club will also receive any special updates or brochures that we feel will be of interest to you.

If the Houston Canoe Club prints a newsletter anytime during the year we would love to see it. Also, if you run into any articles in your local paper, or interesting river happenings on any of your river excursions that you feel may be of interest to our readers please send them in.

Again, thankyou for your contribution and interest in NORS. If we can be of service to you in any particular area please let us know.

Sincerely,

Mary McCurdy
