Dear Mr & Mrs Edwards:

We send you greetings from American Rivers. I hold in my possession a copy of your 1986 membership roster. We were wondering, if we could borrow/trade membership list's with you?

Your response to this letter will be greatly appreciated. Look forward to hearing from you.

Sincerely,

Sinaloa B. Hobson
Membership Assistant

P.S. If you have any questions about your member's being traded, feel free to call me. We can give those member's a special code.
