## NEW MEMBER INFORMATION

### HOW DO I BECOME A MEMBER OF KCYC?

---

1. **Learn about KCYC through visitations.** Non-members may visit our Club by signing in at our front desk in the Guest Registration Book. If you stop in without pre-arranging to meet an existing Club Member, please ask someone to “Host” you as a guest. As a private Club, you must have someone to be your host/guide until you become a member. There are a number of opportunities to visit and learn about our Club, such as:
  - a. **Friday Night Socials.** With very few exceptions, our Club is open from 6:00 PM to 9:00 PM each Friday Night. The bar will be open and often there is a light selection of foods to choose from with a small donation to cover the costs.
  - b. **General Meetings** are held at the Club on the third Thursday of each month (exception is December when no meeting is held). A Happy Hour begins at 6:00PM and the Potluck Dinner is served at 7:00 PM. The General Meeting immediately follows dinner. During those meetings we often have many non-member guests who we openly invite to get a more in-depth understanding of who we are and what we do. Again, you will need to sign in and have a Host to attend those meetings.
  - c. **Club Events** Special Events on Saturdays are often theme based, with most offering a broad range of food selections, entertainment, music and occasionally dancing. Check out our event calendar at KCYC.org to see what is coming. As always, until you are a member, you will need a Host.
  - d. **KCYC Cruises** to various Puget Sound Ports are planned throughout the year. Both boaters and social members are encouraged to attend the cruises. Non-members with a Host may participate in cruises, which are also posted to our event calendar.
2. **Moving forward to join our Club.** If you would like to take the next step toward joining our Club, contact KCYC’s Membership Committee representative at KCYC.org and request a Sponsor to be assigned to you to assist you. Your sponsor will help you through all the steps to become a member. Then fill out a Membership application and return it to your Sponsor or the Membership Committee. You can get a copy from our Website at KCYC.org or from your Sponsor.
3. **Fulfill all New Member requirements.** You may have already fulfilled the new member requirements as part of visiting our Club and learning about who we are and what we offer. Those requirements are:
  - a. New member applicants must attend one social event, either a Friday Night Social, a Saturday Special Event or a Cruise.
  - b. New member applications must attend one General Meeting.
  - c. Owning a boat is not a requirement. About half of our Club members do not have boats, with their interests more focused on Club social activities.

4. How is your application reviewed and approved? Applications are reviewed by the Membership Committee, confirming that all requirements have been met. The General Membership is notified that you have applied for membership in the next issue of the Club Newsletter, *The Bosun's Pipe*. Members have the opportunity to comment on your application.
5. Without objection by the Club members, your membership into the Club will be submitted to the Board for approval. Once approved, you will be invited to the next General Meeting at which time your sponsor will introduce you to the membership and you will be inducted in the Kingston Cove Yacht Club. At this meeting you will be supplied with your KCYC Burgee, nametag and Membership Booklet. Your attendance at the induction ceremony is required. After being inducted you will be required to pay for Club membership dues based on the type of membership you select.

## **MEMBERSHIP TYPES, VOLUNTEERISM, BENEFITS & DUES**

---

**Volunteerism** contributes to the success of KCYC. In order to continue cultivating volunteerism, KCYC offers two levels of participation for each member: Type 1 Membership, where the member commits to a minimum of 12 hours of volunteer service to KCYC at a discounted price, and Type 2 Membership, where the member chooses not to volunteer. The two membership levels are self-selected by the member and carry equal rights. The only difference is whether the member chooses to volunteer or not. Members keep track of their own hours on the honor system but may record them on either the new KCYC website or in the volunteer book if they desire. .

**Benefits of KCYC Members:** All members of KCYC enjoy the same benefits of Club Membership. The Benefits include the following:
