### **EXPERIENCE**

Donna Kain is the Director of Private Wealth Management for Synovus. Her background is diverse and includes working for both large national banks and community banks. She has over 25 years of experience as a trusted advisor for both businesses and individual clients. She is an “original Private Banker” when the term was originally coined during the early years of Private Banking as a service offered by banks.

### **RESPONSIBILITIES**

Her responsibilities for Synovus include managing a portfolio of high net worth individuals along with leading a team of Private Wealth Banking Relationship Managers and insuring all clients receive a holistic Wealth Management experience by identifying clients priorities and engaging other partners that are experts in their fields.

### **AWARDS AND AFFILIATIONS**

Donna is very involved in the community. She is a past President of the Buckhead Business Association and continues to be an active advisor on the Board. She co-created A Taste of Buckhead Business, is Co-Founder of Bucks on the Street and numerous other community activities providing much needed funds to support worthwhile giving/leadership projects in the community. She serves on the Board of The Elaine Clark Center for Exceptional Children and is active in the Buckhead Rotary.

She was recognized by Atlanta Woman Magazine as 20 top women bankers to watch, received the Carl A. Bevin’s Award for community service and has written numerous financial interest articles for local publications.
