BUY-IT-NOW! items available on a first-come-first-served basis once event opens at designated time.

All items are offered “as-is”. FFCOC cannot assume responsibility for the accuracy of any description in this brochure or any certificates issued. Auction items may be either new or used. Some of these items are in their original packaging; many are not. An attempt has been made to indicate those items that are used.

“Values” are rough estimates only. A few “Values” indicated for auction items are based on vendor pricing. However most are based on a quick internet search for the item and/ or judgment of other FFCOC members. As such, these “values” should be used as rough estimates only. If this concerns you, FFCOC encourages you to do your own research before bidding. An attempt has been made to set Starting Bids to account for the items condition.

All sales are final. No substitutions, exchanges or cash redemptions will be made.

FFCOC is not responsible or liable whatsoever for any property loss, damage, personal illness, injury or death occurring during or in connection with the usage of any item sold in this auction. Reservations and payments. It is the winning bidder’s responsibility to make any reservations and payments required and to conform to the vendor’s dates, payment requirements, terms and conditions

Unless indicated otherwise, all services must be used by December 31, 2019.

## **FFCOC Auction Events**

6:00 pm to 7:30/8:00pm - Silent Auctions: (Many one of a kind and special items will be in our Silent Auction. Each item will have a bid sheet where you can enter a bid surpassing the previous bid by an amount specified on the bid sheet. Items in the Silent Auction also include fly rods and reels (new and gently used), fly fishing equipment, fly tying equipment and materials, trips and lodging and many other items of interest. These auctions will be open at 6pm until we close the bidding between 7:30-8:00pm.

6:00pm to 7:00pm - Buy it Now: These items can be purchased immediately at our Buy it Now desk for the price on the label. Think of this as a garage sale for fly fishing enthusiasts. There will be some great deals in this section.

6:00pm to 7:00pm - Bucket Raffle with a Grand Prize: This year we will continue with last year's "tradition" of not only having some great items in our buckets, but will also feature an end of the evening "Grand Prize" drawing. This year's Grand Prize will be a salt water outing for 2 with host/guide Frank Selby! For buyers of \$20 of bucket tickets, a ticket will be placed in the Grand Prize drawing. All buckets will have a retail value >\$20. So, a bucket win will provide an equitable return on your \$20 ticket "investment", more importantly, it gets you an opportunity to fish with Frank! Why not "invest" in more than \$20 in tickets?? The Grand Prize ticket will be drawn at the end of the evening; the winning ticket holder must be present to claim your fishing adventure with Frank!

6:00pm to 7:00pm - Off the Table Option: Certain Silent Auction items will be marked with an "Off the Table" price and this will allow bidders to take the item right now for that price. Bidders selecting that option can go to the Buy it Now desk to pay for the item. If no one chooses "Off the Table" then the normal silent bidding process will remain in place.

7:00pm - Buffet Dinner

8:00pm to 9:00pm - Live Auction: We have many great items, trips, services that will be bid upon, one item at a time. This is always an exciting opportunity to win something great and to help the club out.
