Refunds Refunds: As part of the Rally planning process, we must enter into legally binding contracts for services. Expenses incurred for these services are unrecoverable. For this reason, we may be unable to issue full or partial refunds for cancellation requests that occur less than 60 days prior to the rally until the Rally is over and the books are closed.

Liability: I understand that neither The RV Travel Club, the park, nor any other Travel associates used assume any responsibility directly or indirectly for use or operation of vehicle or RV going to or from or during a Rally; or for losses involving personal belongings, vehicle or RV due to any cause whatsoever; or for injuries to persons within or without the Rally; or for damage to property of any kind.

Reservations: I have read and understand the instructions **on the 2ND page of the registration form** which details how to make campground reservations. I understand that I will be assigned a "unique to me" code shortly after receipt of my rally payment by the rally Treasurer and that this code is required to obtain the special rally discounts at River Plantation.

How to make your Campground Reservations

(Please keep this page for future reference)

Special Rates: Your hosts have negotiated with River Plantations RV Resort for the special flat rate of \$40 including all taxes and fees. This discounted rate will be honored for an additional 3 days prior to the rally for those wishing to come early and do some site-seeing. The regular “prime season” rate for these sites is \$46.50 PLUS fees and taxes, so we are receiving about a 20% discount. “The Great Smoky Mountains” is the #1 visited National Park in the U.S. and early fall is a very popular time to visit. We are fortunate to get special rates during this prime season.

Getting your camp site registration code: Upon receipt of your rally registration payment (or Credit Card Info) you will be sent a “unique to you” registration code. If you register for the 2018 Grand National at another National Rally, you will be given your code immediately at that time.

To get your preferred site and discounted rate, pay your rally fee, get your “unique to you” reservation code, call the park at **865.429.5267**, give them your code, and choose your site.

To assist with your site selection, it is suggested that you either print the River Plantation Site Map (available on the website, under “National Rallies”) or have it open on your computer screen when you call to make your reservations.

Sites will be available on a "first call, first get" basis. You will be asked to make a one-night deposit when you make your reservations with the park. The balance of your camping fees will be due upon arrival at the park.

Refunds: As part of the Rally planning process, we must enter into legally binding contracts for services. Expenses incurred for these services are unrecoverable. For this reason, we may be unable to issue full or partial refunds for cancellation requests that occur less than 60 days prior to the rally until the Rally is over and the books are closed.
