

The **Cotaco Backroads Metric** ride is 63 miles, rolling with long grades and three climbs. It travels on mostly good pavement thru beautiful quiet farmland, with rest stops at 17, 27 and 37 miles.

Directions to start: This ride begins and ends at the Cotaco Florette Road intersection with AL-36, south of the Tennessee River. Travel **South** from Huntsville on **HWY-231** (Memorial Parkway) across the Tennessee River. **Three miles** after the bridge turn **Right** on **AL-36** at the flashing yellow light. Travel **8.3 miles** to the intersection with **Cotaco Florette Road**.

You'll pass the Cotaco fire station on the left before reaching the intersection. There's a convenience store with parking on both sides of the road, and the Cotaco School is located just to the west.
