Ernie Gulley Fly Fishing Guide Service

Ernie Gulley, who specializes in Stillwater fly fishing, was our speaker in April and, as every club agreed, did a spectacular show that impressed everyone. He talked about fly fishing tactics for Crowley Lake, e.g., best places to fish on the lake and which fly patterns work best. (As an example of his expertise and skills, Ernie was guiding two people at Crowley Lake a few months ago and in just one day they caught 120 fish, most of them more than 16 inches long.) Crowley Lake is considered one of the premiere Stillwater fisheries in the United States. Ernie has graciously donated two days of guided fishing on Crowley Lake for two anglers for the price of one. Winner pays \$385.00; Value \$770.00.
