PLANO BICYCLE ASSOCIATION

EVERYONE IS WELCOME! Frankly, the turn out for club rides has been poor; between 3 to 7 riders at best. There are over 75 club members who must enjoy cycling or who want to start. Most members are beginners with some experienced cyclists but **ALL OF US** enjoy the fresh air and companionship in these sociable bike rides. It's a different route each week, maps are provided and someone usually carries tools. **COME AND JOIN US AND BRING A FRIEND.**

DUST OFF YOUR BICYCLE, put some air in those tires, and bring it to Chisholm Plaza (near Loew's Theater) **NEXT SATURDAY!** Your bike isn't doing you any good sitting in your garage. **ISN'T RIDING WHY YOU JOINED THE PBA?**

Post me! I'm your new Ride Schedule.....
