

Memphis Blues Society Best Self-Produced CD Competition

The Memphis Blues Society is now soliciting entrants for "Best Self-Produced CD" competition. Entrants must send the MBS 6 copies of their self-produced CD for ranking by an independent panel of judges SELECTED BY THE Memphis Blues Society Board. The MBS will pay for the reproduction of the winner's CD and distribution to the national selection panel selected by the Blues Foundation during the 2019 International Blues Challenge.

What is the Best Self-Produced CD Award?

In 2005, The Blues Foundation established an award for the **Best Self-Produced CD**, given out at the International Blues Challenge, as part of our mission to celebrate blues recording and to ensure the future of this uniquely American art form. Unlike our celebration of blues recordings and performances at the Blues Music Awards, or our recognition of up-and-coming musician performance via The International Blues Challenge, this award was created to recognize excellence in independent Blues recordings.

Best Self-Produced Official Rules:

- The CD entered may be recorded and performed by an act other than is entered in the current year's International Blues Challenge.
- Compilations are not eligible.
- **Only CDs released between November 1, 2017 and October 31, 2018 are eligible for consideration as the 2019 Best Self-Produced CD.**
- A performer who has previously been nominated for a Blues Music Award (formerly the W.C. Handy Blues Award) shall not be eligible for this competition.
- A CD issued in the name of an otherwise eligible performer which also includes the contributions of a Blues Music Award nominee may be ineligible, depending on the extent of the contribution. Please contact The Blues Foundation directly to confirm eligibility.
- A CD on a record label that has been previously nominated for a Blues Music Award (formerly the W.C. Handy Blues Award) shall not be eligible for this competition.
- Singer, band, society or local producer may produce the actual CD as long as the performer is a singer, band or other individual entity.
- Recordings with established or "known" producers within the industry are eligible as long as the recording is on the artist's independent label and not on an established national blues label. If a recording was produced independently but an established blues label has purchased the master for distribution, the recording is still eligible until such time as the established blues label releases the recording.
- Only (1) CD is to be selected from the entries to represent the Memphis Blues Society at the 2019 International Blues Challenge.
- The final results will be announced at the finals of the International Blues Challenge on Saturday, January 26, 2019 held at the historic Orpheum Theatre in Memphis, TN.
