

Race Committee Sign Up

All competitors must volunteer for one RC day during each series to be scored for that series. Please contact the Fleet Captain after you have signed up. **Each volunteer must come dressed to get wet (wearing a PFD and a dry or full body wetsuit).** There are five RC positions:

Signal Boat 1/Principal Race Officer (PRO): responsible for conducting the race, determining the course and overall safety.

Signal Boat 2: drives the boat and must be an SSA club member. This person also will help with signal flags.

Signal Boat 3: keeps score.

Safety Boat 1: drives the boat and must be an SSA club member.

Safety Boat 2: sets the marks and responsible for the safety of the competitors, looking for capsized boats that may need support.

At times, we have also added a ***2nd Safety Boat*** (two additional volunteers) to add another level of safety. The Fleet Captain will make this decision.
