

Race Committee Sign Up

All competitors must volunteer for one RC day during each series to be scored for that series. Please contact the Fleet Captain after you have signed up. There are four RC positions:

Signal Boat 1/Principal Race Officer (PRO): This person is responsible for conducting the race, determining the course and overall safety. This person must be an SSA club member.

Signal Boat 2: This person is responsible for supporting the PRO.

Safety Boat 1: This person is the boat driver, is responsible for setting the marks and for the safety of the competitors. This person must be an SSA club member.

Safety Boat 2: This person sets the marks and is responsible for the safety of the competitors.

There are four positions for each day of racing. These positions are ***Signal Boat 1/PRO, Signal Boat 2, Safety Boat 1 and Safety Boat 2***. If there are enough competitors to add a fifth person for each day we will add that person to either the Signal Boat or the Safety boat dependent on the circumstances.

The idea is to have all competitors sign up for one position for each series. If we have enough competitors to fill all 64 slots then we will add an additional position, which can be either on the Signal Boat or the Safety Boat, dependent on the conditions. The Fleet Captain will make that decision.
