Jultrefest on December 12

Velkommen!

Upcoming event: Sankthansaften Rekefest Shrimp Party on June 20

We are the Norwegian Society of Texas, so if you want good cold water Greenland shrimp, you go to the same source of supply as for the Norwegian Embassy and Consulates General; that is how Vikings are going to Rekefest!

The event is a St. Hans Midsummers Eve Rekefest shrimp party at the Moore farm in Ferris on Saturday, June 20 beginning at 4 pm. Registration and details are online on the NST website, and additional details on the Viking Facebook page.

Please arrive prepared to enjoy Greenland shrimp, served

His Majesty King Harald V recently visited the Pacific Northwest and Alaska. The Norwegian Embassy in Washington has excellent photos from his trip on their Facebook page. This link and many more, including to our own Norwegian Society of Texas, may be found on Norway's official site in the United States at www.norway.org.

NST has been enjoying, preserving and promoting our Norwegian heritage since 1975.

Scandinavian style, with bread, mayonnaise, butter, lemon, dill and a traditional bonfire! RSVPs have been coming in but there are still a few days to RSVP, so register online without delay.

Event Review: Syttende Mai

In honor of Norway's National May 17 Constitution Day, NST members from the three DFW chapters, and their family and friends, had a great time in Arlington on May 16 with a parade, programs, activities, music, dancing, hot dogs, ice cream, heart shaped waffles, Norwegian flags and more.

Her Majesty Queen Sonja of Norway

HM Queen Sonja of Norway is an artist, and a selection of her own art print works may be seen online at www.norway.org. The Queen Sonja Print Award was established a few years ago to encourage graphic art. Her own works are beautiful, and some are currently an integral part of an exhibition at Scandinavia House in New York.

To our new members, Viking says Velkommen!

We look forward to meeting and getting to know our new friends.
