LFV doings! | May 2018

Please let us know as soon as possible when you need a ride, so we have time to find a volunteer to drive! While we'll always try to provide a ride, finding rides in less than 72 hours is very hard to fill. A week's notice is just right!

Remember that we can assist with more than just a ride. We can also help with household tasks, visits – in person or on the phone, transitioning back home after a post-acute stay, handyman assistance, errands, getting organized, helping to find answers to a variety of questions you may have, technical assistance and a whole lot more. Just call or [email](mailto:info@littlefallsvillage.org) the office
