From Mission Control

by Sandra McCunis, President

Although we don't have General Meetings in the summer, your Executive Committee and Board of Directors have been busy planning for a fantastic 2011/2012 season for SCSC members. We have approved our trip venues, prepared our budgets, recruited and trained our TC's and ATC's and organized social activities and Happy Hours. I appreciate their support and dedication to ensure a successful upcoming year.

Jim Hodges, our V.P. of Trips, has volunteered many hours of his time organizing a great slate of competitively priced trips. You may reserve your spot on one or more of these exciting trips beginning August 1st. Please mail your Trip Registration form and a check for the deposit to the Trip Coordinator or sign up online at www.spacecityskiclub.org via PayPal.

Leslie Ward, our V.P. of Activities, has been working on new ideas for fun activities and Happy Hours. She needs volunteers to help her organize these

activities. Please consider volunteering to be an Activity Coordinator. It is a great way to meet people and make new friends. Also, contact Leslie if you would like to suggest a new activity.

Join us for fun day on Galveston Bay at the home of Marty Kaminsky in San Leon. Marty has graciously offered to host our annual Volunteer Party on Saturday, July 16th. We will be serving barbeque with all the trimmings, frozen Margaritas, beer, wine and soft drinks. You can relax on the deck or swim in the bay. Bring your small boats. Marty has a 200 foot pier and boat ramp for light boats.

If you have not renewed your membership, please do so now! You can download a form from our website and mail it and your check to Jan Ferrell, our V.P. of Membership, or log on to our website and renew via PayPal. Don't miss your opportunity to sign up on August 1st for your choice of our exciting trips. Also, you will not continue to receive your copy of the Sitzmarke if you are not an active member.

I am looking forward to our new season and I hope that you are too!

Countdown to Liftoff

By Jim Hodges, V.P. of Trips

The new ski season is here!! Well, not exactly here as in here in Houston. But the TCs and ATCs have spent the past few months planning their trips for the 2011-2012 ski season and you can now read about the trips in this issue of the Sitzmarke! Ski trips to Colorado, Idaho, California, Montana, Canada and Poland - and a "bucket list" adventure trip to Galapagos in August 2012. The most difficult part is now up to you - which one of these great trips will you join?

Trip sign up begins August 1, 2011. Don't forget you must be a member to sign up, so if you have not renewed yet better do it now! Tear out the page and complete the "Trip Registration Form" included in this Sitzmarke. Mail the completed form and your deposit to the TC. Better yet make copies of the form and join several trips. You will also be able to sign up on-line starting in August and pay your deposit by Pay-

pal. However, please note we are implementing a new system this year regarding paying final payment. If you pay final payment on-line using Paypal, you must pay full price for the trip. If you pay final payment by cash or check, you will get a discount depending on the price of the trip. See the complete list of trips for more details.

The TSC Summer Expedition Alaska Cruise is scheduled for September 6-13, 2011. Although this trip is essentially closed, if you suddenly discover an empty week on your calendar and wish you had signed up for this trip, contact Ellen Eastham (eeastham@prodigy.net). It might still be possible for Ellen to contact the tour operator for this trip and get you included with the ski club.

NEED TRIP COORDINATOR FOR THANKSGIVING TRIP TO BRECKENRIDGE

This is a great opportunity to get involved.

Please contact Jim Hodges at vpstrips@spacecityskiclub.org

Having A Blast!

By Leslie Ward, V.P. of Activities

We will have our annual Volunteer Party on Saturday, July 16th at Marty Kaminsky's home in San Leon on Galveston Bay. Guests and members that did not volunteer may also attend for a cost of \$15. If you are interested in helping with this party please let me know. Bowling at Palace Lanes with Larry Hord should be on your bucket list. Luckily Larry has graciously scheduled a bowling activity for Sunday, July 31st at 2:00 PM. Our July Happy Hour will be held at Chuy's on Westheimer.

Catching a fly ball at a Major League baseball game might be on your bucket list. Don Macken will help you reach out and grab that ball at an Astros game on August 6. Our August Happy Hour will be held at Benjy's on Washington.

I have come up with some ideas for future Activities. I need people to be Activity Coordinators. Please step up and volunteer.

1. Mixed Doubles Tennis Scramble
2. Scavenger Hunt at the Houston Zoo (family friendly)
3. Cooking Class and Wine Tasting at T'afia with Chef is Monica Pope
4. Beach Volleyball and cook out at Third Coast Volley Ball

Snowbird is the Word (Surfin'Bird)

(By The Snowbird Committee: Lori Gilliland, Christine March, Bruce Lowther and Candace TenBrink, with editing by Cindy Moore)

B-bird's the word oh well-a bird, bird, bird
On Wednesday March 16th, 35 of us headed off to Utah to experience The Greatest Snow on Earth! Bird IS the Word! SNOWBIRD that is!

TC Cindy Moore & SCSC Race Director Bruce Lowther, arrived to Snowbird 5 days before the rest of the SCSC gang, to put the final touches on this awesome TSC trip, and get in a few extra ski days.

Snowbird committee girls, Lori Gilliland & Christine March rounded up 28 SCSCers for the flight from Houston to Salt Lake City. The flight went super smooth. After arriving at SLC, we grabbed our luggage & jumped aboard our bus for a nice 40 minute drive up scenic Little Cottonwood Canyon to Snowbird. We barely had the time to drink a large bottle of Fiji Water before we were unloading the bus.

Upon arrival, we were greeted by Cindy, who handed out our lift tickets, fun packets of credentials, and lip balm. The real go-getters, Davis Tucker & Chris Urbanczyk, grabbed their lift tickets, used the revolving door, and hit the slopes immediately, not to waste a moment of skiing.

The Cliff Lodge was beautifully built of solid concrete and rich natural wood and marble. Every wall was covered with beautiful and exotic carpets. SCSC was treated to a club welcome party with delicious pizza at Snowbird Center, then for the adults it was on to the Tram Club for drinks and dancing with other TSC clubs. Very few of the adults were missing from the Tram Club. Evan Howell and his grown kids, Shana and Evan, Jr, partied with us. Chaille Hutchison, and her son Tal, came by later for a nightcap with us. Gin Knebel was one of the few missing, giving her daughter Cassandra Rodriguez a well deserved night out. Peggy Schillinger was photographing the events with her usual finesse!

Space City had 4 racers for the TSC club races and they ALL brought home medals; Robert Rowley and Larry Edmondson silver, Bruce Lowther bronze and Candace Tenbrink, with her blazing speed, brought the club 25 points. Even though we only had 4 racers, we brought in more points than Lone Star's 9 racers and thus placed 3rd in Division I. Space City participants averaged more points per racer (40) than any other club. The top two clubs won by sheer number of participants.

In the individual races, Candace won an award for the fastest woman in her age group, while Bruce was 2nd in his age group. Amazingly, the entire TSC club race processed 81 racers in 45 minutes. This allowed most skiers 2 hrs of skiing before their race time, an average of about 12 minutes waiting their turn, 30 to 40 seconds of racing, and then to lunch, or back to skiing. During the rest of the day you have to keep reminding yourself that you are not trying to beat that person to your left back to the lift.

Kids on the trip to Snowbird had a fabulous time also. While the Curry triplets (Kaley, Neo, and Trinity) were too fast and furious to be seen by the mortal skiers; the kids just learning to ski and carve rocked the ski school. Ava Gami moved up 1 level a day, to end as solid green/blue while also learning how to pelt her instructor with class 1 snowballs. Rookies Trace and Evelyn Rodriguez, moved up from the magic of the carpet belt to their first full-fledged hill with a chair lift! They also loved the games, Leprechaun drinks, and decked out shamrock hats at the kids party.

One of the best side notes of traveling with kids on a club trip is the camaraderie the kids felt, sharing their achievements and on-snow antics with each other at dinner. Strangers before arrival, they all left with a badge of courage, many wonderful ski stories, and new friends. When Ava was asked about her trip, she described it as "Awesome!" Straight from the mouth of a 5 year old.

The ski dogs (Ash Moza, Davis Tucker, Robert Rowley, Chris Urbanczyk, and Larry Edmondson) tore up the advanced terrain and the daily blanket of powder. Tony and Carolyn Curry were so busy they finally picked up their SCSC neck wallets from Cindy on the day we left!

The TSC awards party on Friday had great, plated food, so we all got plenty. There was a fun DJ, and dancing until 11:00 p.m., and we saw Los Amigos members shake their tails.

Snowbird has this tunnel cut through the center of the mountain with a connection to Alta through a tunnel conveyer belt, allowing access to two snow covered resorts. Saturday was like a weird dream, traveling through a tunnel with light on the other end, where you end up in a groovy snowy wonderland. Christine had always heard that in whiteout conditions you cannot tell where you are, and can easily get lost. They never said you could end up in Russia (AKA Alta). This tall leggy Russian blonde named Minka (Deb Cini) and a group of other equally hot Russian ladies, Lucinka, (Cindy), Slovinka, (Sandy Fowler) Ekaterina, (Lori). Christinka (Christine) and Sven/Boris.(Karl Jauhiainen), were participants in the Alta "Russian" blue skifest! That same day Sylvia Wetuski was seen braving the Alta greens with her new found ski skills.

Meanwhile, Abi Gami, Ann Dorn and Cassandra beat the beginner hill and headed for the mountain Saturday morning. The word of the day was "Out of the Way! The lesson of the day was, "gravity is your friend, don't fight it."

Snowbird is the Word—Continued

Jose Arajuo was seen following Candace and Bruce off to ski Saturday morning. He was found in the bar that afternoon, muttering something about "crazy people", and "near death experiences. Ann Dorn learned a valuable lesson — don't ski mad, or you might forget to turn — as she skied off a green trail into a ditch. If it hadn't been for a friendly pine tree motioning Chris to look over here, he wouldn't have found her (but it is still all his fault). Christine learned powder and long, skinny skis do not mix. Go fat and have tons of fun. -The unbelievable fact was that we were skiing at spring break without crowds and with fresh powder each day!

On the bus ride home we saw Stuart and Dawn Allen from the first time since we arrived. Cindy thought they were having a romantic 2nd honeymoon or something. She found out that poor Stuart had been struck down by altitude sickness the whole trip and Dawn swore she would never take him on another ski trip!

Christine and Lori stuck around 2 extra days and new member Jo Barrie also stayed a few extra days so she could spend some time with her Mom over in Salt Lake City.

THE ART OF TRIP SIGN-UP AND THE FINE PRINT

Trip Sign-Up: HERE IT IS! Your chance to sign-up for your favorite SCSC ski trip(s) for 2011-2012. The sign-up form will be in the SITZMARKE for you to mail your application/check or sign-up on-line at www.spacecityskiclub.org. If you sign up on line, you may use Paypal to pay the trip deposit. We are continuing the process of taking sign ups either through the mail or giving your form and money directly to the TC at an SCSC event. You may also sign up online and pay your deposit by Paypal, however you must still complete an application form and mail or deliver to the trip TC. Trip applications and money cannot be received prior to **August 1** - for all trips. Any application received prior to that date will be considered as the last application received on August 1 (not the first). Note that this is not the postmark, but when the form and money is received. You must be a current member in good standing to be added to a trip. Note that memberships are approved at the monthly Executive Committee meeting. Send in your membership by the first of the month for it to be considered at the meeting. After that, you will have to wait until the next month. Your 2011-2012 membership number should be shown on the mailing label of the SITZMARKE. 10. Land Packages have been approved by The Executive Committee for this year's trips. On the trips which have a limited number of available land packages, if all are filled, you will be given the option of being on a "Land Wait List" or switching to a full package.
11. Because of the restrictions noted below for land packages, be sure you have concrete travel arrangements made before you sign up for one of these. SCSC will not be responsible for any difficulties or extra expense you incur due to delayed or canceled flights or other transportation problems.

Rules and Restrictions for Land Packages

1. The price of the land package will be the full trip price minus participant's airfare. Ground transportation will be included and available, on selected trips, to land package participants if they can meet the group at the destination airport on time. (Note: As in the past, members may still arrange their own transportation, lodging, etc., and pay only for the parties and trip options. If so, please arrange to do this in advance, ideally by the pre-trip meeting.)
3. Normal cancellation policies apply: 1) the added stipulation that, on or after final payment date, land package participants must be replaced from a land package wait list and full package participants must be replaced from a full package wait list in order to receive a refund.
4. Be sure this is the package you want - It may not be possible to convert your trip from land package to full package, or vice versa. The Club may not be able to secure additional airline seats.
5. If you sign up for a land package, please notify the TC of your transportation plans in advance of the trip. The TC can tell you where to meet the group at the airport and other pertinent details.

Yes, SCSC skiers, we are heading to Vail again for an early season ski trip.

Vail is one of the best resorts in the world with over 7 miles of mountain front, 7 back bowls and the most groomed terrain on the planet. Whatever type skier or boarder you are, you will find fabulous trails; 18% beginner, 29% intermediate and 53% advanced and all served by 31 ski lifts.

The snow promises to be better than EVER since, this year, we will be skiing the second week of December as opposed to our traditional first week. Yes friends, we are giving Mother Nature an extra week for to do her stuff, i.e., SNOW!!

There are two trips to choose from, a week long adventure or a four-day getaway. Our entire group will depart on Saturday, December 10th on Continental at 8:45 am arriving Denver at 10:24 (times are subject to change). This will give us plenty of time for our grocery stop and to get our rentals once we get to Vail. The short trip will depart Vail on Wednesday, December 14th to catch a 2:30pm flight back home. The remainder of the group will leave Vail on Saturday, December 17th also in time for a 2:30 pm departure to Houston.

Again this year, we will be staying at the Lion Square Lodge, which is a true ski-in, ski-out condominium that is literally just steps from the Eagle Bahn Gondola in Lionshead. In addition, the condos are above the Mezzaluna restaurant, which is open for a complimentary continental breakfast each morning for guests. Other amenities include outdoor heated swimming pool, 3 outdoor hot tubs & sauna, exercise room, access to Aria Spa and Health club, computer center as well as complimentary high speed internet in every condo.

Our fun will include daily après ski, welcome reception, wine & cheese party and optional group dinner. Sign up starts August 1 and this trip is sure to fill up fast, so sign up early....

Snowmass The perfect start to the New Year!

Listen my children and you shall hear of Space City's trip to Snowmass next year.

On the 7th of January begins a ski week that all will be talking over fine wine and beer.

He said to his friend "it's the TSC Traditional that will roll in the town that night so save me a spot at the great Crestwood Tower. \$926 by land and \$1370 with air and I will be ready to ski or ride not one but 4 mountains and play in the village and town. So hurry the list of fun things is as long as your arm".

You don't have to be Paul Revere to go on this trip, but you will have to move fast because the number of full packages is limited.

We will be staying at the Crestwood Condominiums located slopeside, with ski in/out convenience, and directly adjacent to the new Base Village and the Village Mall with numerous restaurants and shops. Of course there is Aspen a few minutes away.

Getting around will be easy during our stay. Free shuttles are available around Snowmass Village. There is also free shuttle service to the town of Aspen and the other three ski areas.

Reserve now for a fun-filled week at one of the biggest ski mountains in North America - Steamboat Springs. With over 28 feet of snow annually, Steamboat offers skiing across 4 mountains for all skier levels. Tree skiing is Steamboat's claim to fame, with legendary Champagne Powder® for the most avid powder hounds. There is exceptional skiing for everyone with 165 trails, 3,668 ft. vertical and 2,965 acres of terrain. Steamboat's runs are mostly uninterrupted pitches that go on-and-on. The longest run (Why Not) wanders over 3 miles. And with more than \$27 million in recent on-mountain improvements, you'll enjoy great on-mountain dining, and be whisked up the mountain via 18 lifts, including 1 gondola, 5 high-speed quads and 1 high-speed 6.

Steamboat's lower elevation allows magnificent aspen stands grow to the top of the peaks--they are incredible to ski through and fabulous to look at with their lacy, fringing tops. Expert descents here mean trees and glade skiing at its best! Intermediate skiers can find lots of groomed cruisers throughout the mountain. The blue runs served by the Sunshine Express also have spots where beginning tree skiers can practice. Adult beginners can enroll in a 3-day learn-to-ski class. For boarders, Steamboat is in the Top 20 in the country for its parks and pipes offering 4 different terrain parks.

Pending Continental's confirmation, we have booked direct flights into Hayden. From there we've arranged transportation for the short 40 min. ride to the resort with a grocery stop en route. By mid-afternoon we'll arrive at our 2BR/2BA condos at the 4-star Steamboat Grand, located at the base of the mountain. We'll close out the day picking up our ski rentals and having a Welcome Party. The Grand is a 2 minute walk to the gondola, and has a spa, heated pool, 2 hot tubs, convenient ski storage and complimentary transportation into town. If you need to take a break, there's no shortage of activities: snowshoeing, snowbiking, sledding/tubing, ice-climbing, cross-country skiing and snowmobiling. To unwind, stargaze while relaxing in natural hot springs, shop, catch some live music, take a sleigh ride or go horseback riding. Steamboat's ideal snow, varied terrain, great lodging and activities will combine to make for a wonderful week for SCSC participants. We hope you'll join us!
