APRIL MEETING

Monday April 26, 1965 - 7:30 p.m. Sheraton-Lincoln, East Ballroom. Drinks available before, during and after the formal program. Business meeting begins promptly at 8 p.m.

BY-LAWS

A set of By-Laws by which the club can operate will be presented for approval of the membership. Ken Reilly is Chairman of the By-Laws Committee which has prepared these rules. He has made an effort to keep the rules simple allowing the greatest amount of flexibility in operation of the club consistent with good management.

ELECTION OF OFFICERS

As provided in the proposed By-Laws, officers shall be elected annually. John Rogers (MO 8-2115) is chairman of the nominating committee which will present a slate of officers. In addition, nominations may be made from the floor.

SUMMER ACTIVITIES

Results of last month's summer activity poll showed water skiing and sailing and a weekend trip to New Orleans or Mexico to be the most popular choices. The other sports and trips rated nearly as high. As arrangements are made letters will be sent to the members. If you have any suggestions or will volunteer to help out please let me know.

CLUB PINS

If anyone plans to go to Portillo, Chile this summer to ski, you can get a club pin from Tom Cronin for \$3.50. You can buy one even if you don't go skiing, too.

TAOS TRIP

The Taos Easter ski trip was cancelled due to lack of interest. Fifteen people had signed up and at least some of them made other arrangements to try Spring skiing. You'll recognize them by their suntans next week.

MEMBERSHIPS

A membership for the remainder of the year (till September), will be able to participate in all the summer activities. Of course, member's guest are always welcome. We now have 280 members.
