JUNE NEWSLETTER

TRIP TO NEW ORLEANS - JUNE 25-27

We have planned a great weekend bus trip to New Orleans leaving Friday, June 25 about 6:00 p.m. and returning to Houston Sunday evening about midnight. We have scheduled a 42 passenger bus with bar and lavatory. We will fill that bus first and take a second one if sufficient persons sign up. It's a first come, first seated arrangement.

Accommodations are at the Monteleone Hotel in the heart of the French Quarter. We will arrive in New Orleans in time to close the bars. Saturday morning is for sleeping, with the afternoon open for shopping, tours of the breweries, sunning at the rooftop poolside, antiques, picture-taking, portraits in Jackson Square, etc. Saturday evening will begin with informal drinks at the poolside bar, with the remainder open for dinner and revelry in the most famous nite-life district in the U.S. Sunday, perhaps breakfast at Brennan's and then leave about 3:00 p.m.

Costs are modest; we have gotten the best rates available:

Bus, round trip chartered, non-stop	\$ 14.00 per person
Room, twin beds, two nites	\$ 15.00 per person
Room, single, two nites	\$ 18.00 per person
Extra roll-away beds, two nites	\$ 4.00 each

Fill out the form below and return it with your money for the bus and the hotel. Don't hesitate and lose your place on the first bus. It will go for sure, but a second bus will not be ordered unless it can be filled. Deadline for replying is June 13, at which time we must confirm our room reservations.

UNITED STATES SKI ASSOCIATION

At the last meeting of the Executive Board, your officers voted to purchase a \$100 membership in the United States Alpine Club, a division of the USSA, whose function is support of the U.S. national ski teams in international competition. It was felt that this was certainly a worthwhile contribution for our club. Further fund-raising efforts will be sponsored by us and the Houston Ski Club in the fall.

MAY AND JULY PARTIES

The May Dance Party was a fine success. On July 24th or 25th we have tentatively scheduled our big summer outing.

INFORMATION
