

SKI LETTER

March 7, 1966

HOUSTON, TEXAS

MARCH MEETING - Monday, March 14th, Hotel America Ballroom, 7:00 p.m. A very fine and interesting program on European skiing and touring will be presented after the usual announcements at 8:15 p.m.

EUROPEAN TRIP - For future reference, we would like to know your genuine interest in a European trip. Several approaches are available to us next year. As a practical matter all European trip plans require club membership six months prior to departure, thus you must be sure you are a member late this summer.

ICE SKATING - This continues to be a very fun evening. About 100 members and friends came out last time. Next parties are March 9, 9-12 p.m. and Wednesday March 23, 9-12 p.m. Place is Winterland Rink, Kirby and Richmond. Admission and skates \$1.00 for members.

EASTER TRIP - There are still a few spaces available on Tennwood's trip to Vail, Colorado April 7-10. Air transportation and room at Vail Village Inn is \$125. Call Alan Dabney at CA 9-3126 for reservations. Many Space City Skiers have already signed up, led by Rolfe Beaudry and Jerriann Whitcomb.

HOCKEY - Have you been to see the Apollos? Even when they lose, it's an exciting game. Better than any football or baseball we saw in town last year. We hope to work some promotional deal with the Apollos and if so, we will have some more tickets to give away next meeting.
