

HIGHLIGHTS OF MAY 12 MEETING

The last official meeting of the season was opened by our new president, Ron Crossman. Then, Harry Bristol outlined plans for the Space City Ski Club's summer activities FEATURING the No Snow Preakness in Lafayette, June 21-22 and the Boating/Beer/Bar-B-Que Party at Atascocita Country Club, July 20.

Wayne Rentfro presented the tentative Trip Schedule for the 1969-1970 ski season -- INCLUDING a trip to Europe in January, 1970.

NOTE He urged members interested in the European trip to renew their \* membership for the coming year by July since one of the alternate \* plans being considered involves a charter aircraft that requires all \* persons on the trip to be members of the Club for at least six months \* prior to the trip. \*

Following the trip report, Jerry Maley, 1969 Aspen Trip Chairman, and Peggy Adams presented silver beer steins to the winners of the annual Space City Ski Club Slalom races at Snowmass. Each of the lucky winners (See names below) also received a bonus kiss!

Our program special was Jim Walsh's humorous and cleverly edited film of the April Santa Fe Trip -- complete with funny frames of a "rapid transit" chair lift and fantastic sitzmarkes in the making.
