## From Mission Control

by Gary Butler, Space City Ski Club President

General Meetings are about to start again after the summer break and with the new season we have found a new home for Space City's monthly general meeting, the original Dave & Busters. Dave & Busters is located at 6010 Richmond, just down the street from Fountainview, in the large meeting space called "The Showroom", as you enter D & B just go straight back past the pool tables. This is an awesome facility with multi levels, built-in sound systems, built-in video and screen as well as a stage with a podium. This room comes with a bar in the backside as well as restrooms on each side the bar. We plan on having a number of speakers this year as well

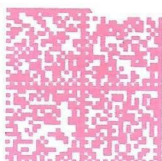

as the Sunshine Kids auction, the Expo, etc. For the first meeting on September 8<sup>th</sup> we will have Brian Flickinger From Vail Resorts as the keynote speaker as well as other guests.

I still need your help!!! I need volunteers for the nominating committee so you can determine who will run the club next year. Is anyone interested in running a ski fashion show for the November meeting? I wanted to thank Chuck Pena for volunteering to be the club's Texas Ski Council representative and Bruce Fleming for volunteering to be an alternate TSC Representative. These are important jobs to the club and I'm thrilled they choose the put their time and effort to help the club. Until next month I look forward to seeing you at the September meeting.
