

A Message from the Commodore...

Welcome back to the 2016 season at Diamond Lake!

I know it seems early, but with this new website, I can send out a Commodore's Message quite easily! So, I thought I'd give you a heads up on a few things early on!

Since we now have the website functioning, our communication plan for this summer will be trimmed down a bit. In early May we will prepare a document to be mailed to all members of record that will include a Commodore's Message, a limited number of small ads, and the complete summer calendar with every event that the Chairmen of the various DLYC Committees have available. Everything being mailed will also be on the website, but since this is the year of transitioning to the new website, we wanted to still give everyone a paper calendar every month.

Throughout the rest of May and June, only the Commodore Messages will be updated. These will contain any event changes, and also remind members about upcoming events. The very few members who do not have a computer will still get the Commodore's Message mailed to them.

At the end of June or the beginning of July, we will again send out the calendar for the remaining 2 months, along with an abbreviated bulletin. This will be done again in early August. In the weeks between these publications, only a Commodore's Message will be updated on the website.

As we go through this year of transitioning to the new website, please let me know how it's working for you. I'm sure there will be a few bumps along the way, but hopefully we will all learn the ropes together!

We have a lot of fun things planned for the 2016 season! The Social Committee, under the capable hands of Sue Dunlap and her committee, has planned some wonderful events this summer for all of us.

The first event of the season, The Derby Party, is again planned for 5/7, which is the first Saturday in May. This is a fun party and you can wear an interesting hat, or not! More details will follow!

I would also like all of you to mark your calendars for the Commodore's Block Party on Saturday, June 25th. I'm hoping ALL of you will come as this event has been designed to help you get acquainted with your 2016 Board. The Board of Governors is a nice group of members who have agreed to volunteer their time and talents to serve all of you! The Board will be easily identifiable, and there will be food and fun for all ages! Again, more details will follow, but I'm hoping we can get a HUGE turnout for this party!

In my next message, I hope to give you our Fiscal year end results, as well as a heads up about our new members! There have been quite a few additions this year!

Happy Easter to you all!
Sincerely,
Marilyn Quackenbush
DLYC Commodore

Happy Easter!

Wishing You And Your Family the
Best for the Easter Holiday.
