

**Did we have fun or what??**

**June 26, 2016**

**Last night the DLYC was overflowing with people of all ages! Kids out front playing wonderful games, parents on the lawn, the porch, and inside enjoying beverages, conversation, and a wonderful dinner! Beautiful centerpieces were raffled off to members who met 15 Board Members during the party. There were many more entries than winners! Thanks so much to everyone who participated!**

**Here's a picture of the Board Members who attended! Thanks to Gretchen Van Dyke for the amazing photograph! (Believe me, this was like herding cats!....)**

**Thanks to all of them for being such good sports and wearing their little aprons so they could pass out stickers to members they met! Watch for your paper mailing on July 1st to see a few more pictures of the fun event! Members told me they haven't seen this many people at the club EVER!!**

**Thanks also to the almost 20 members who volunteered their time and talents to this party! I will be forever in your debt!**

**Happy July 4th to all of you! See you on the lake for the fireworks!**

**Sincerely,  
Marilyn Quackenbush  
DLYC Commodore**
