

Hi to you all,

September 4, 2016

What a great time we all had at the DLYC Annual Hog Roast last night! Thanks so much to Sue Heinrich for chairing, and Sue Dunlap for coordinating the activities in the kitchen! Thanks also to Dave Dunlap, Jane DuComb, Sally and Mike Malone, Linda and Wes Magnuson, Nancy and Mike Sharpe, and Julie, Jeff and the Hesse kids, for all of your help throughout the night! My husband and I enjoyed greeting all of the members and guests who came through the door, and the room was packed with hungry members and fun conversations! This is a traditional party at the club, and one everyone always enjoys! Thanks to all of you who came and made it such a resounding success!

The following is a special Thank You from Jan Gates:

Thank you to the following people who hosted a Ladies Luncheon this summer:

Laura Ferris, Gini Razzano, Julie Hesse, Donna Taylor and Nancy Gerber. Also thanks to Victoria Maione for organizing the luncheon at the DLYC where Paqui Kelly was a guest speaker.

All of these events were very well attended this summer and it was especially nice to see many new faces and of course getting reacquainted with "old" friends!

Please consider hosting a luncheon next summer. We would love to have some new people get involved in the club and this is a great way to do that! You do NOT have to have a huge house - and paper plates are acceptable. If you are interested please contact the new social chairpersons of the social committee: Sharon Block and Phyllis Clark.

Finally, since this is my last Commodore's Message, let me just say that I have enjoyed working with all of you during my tenure as Commodore. This club has many wonderful people who are willing to help with whatever needs to be done! As I pass the baton to Julie Conboy Hesse, let me also say I know she will do a great job in 2017!

Please plan to attend the Annual Meeting tomorrow! I have planned some great munchies from Bullseye, coffee and various juices for your morning enjoyment!

Hope to see you tomorrow!

Sincerely,

Marilyn Quackenbush

DLYC Commodore
