### Friendship and Fun at the Sweetheart Event

---

Close to 40 Members and Volunteers attended the Sweetheart Event. Everyone enjoyed delicious treats, beautiful music from the Heritage String Quartet and a fun-time playing Bingo! Thank you to all the Volunteers who helped to make this a successful social outing.

### **Volunteers NEEDED for our NEW Medical Scribe Service**

---

San Clemente Village continues to add value-driven services for our Members to live well and thrive in their homes. This Spring, SCV will begin offering a personal Medical Scribing service.

“Interested Full-Service Members” will have the option of having a trained SCV Volunteer accompany them during their medical appointment. A trained SCV Volunteer will clearly document the content of the appointment on a standardized form. This form will be given to each Member afterwards for their records. Training for “interested Volunteers” will begin in March. Please contact

Jan Montague at [janm@scvillage.org](mailto:janm@scvillage.org) or call the SCV office at 949.441.1348, if you are interested in Volunteering as a SCV Medical Scribe.

If you are a Full Service Member or Volunteer who would like to participate in Phase II, please contact Jan Montague at [janm@scvillage.org](mailto:janm@scvillage.org) or call the office at 949.441.1348 to get your name on the list!

## In Celebration of Katie Meaglia

---

SC Village lost one of our newest members, Katie Meaglia, on January 25, 2019. Katie was a first generation Angeleno, her parents hailing from Italy. She raised her family in Arcadia and, after an illustrious career with the City of Los Angeles, she retired to San Clemente. Katie was proud of her four children and her crew of grandchildren and great-grandchildren. We wish we had more time to get to know this lovely lady.

## Getting to Know Eric Likness—SCV’s Exploring Technology Instructor

---

### How did Eric become involved with the Village?

“I saw an article in the San Clemente Times about the Village when it was forming. Ironically, someone contacted me during the start up phase, asking if I may be interested in volunteering.

### What does Eric do for the Village?

Eric’s business and volunteer commitments prevent him from being an “on call” Village Volunteer, however he is available for private coaching at reasonable rates. Eric prepares and presents a monthly “Exploring Technology” talk for the Village on a volunteer basis. This talk is FREE to Village members. It’s a custom 90-minute presentation every month – and YOU, as members can even weigh in on topics you’d like to hear about! In addition, Eric’s a volunteer backup administrator for the Village website.

### What are Village members saying about Exploring Tech?

*The free consulting time he spends each month with San Clemente Village members is well worth the cost of village membership. He spends endless hours preparing detailed summaries and analysis of all facets of technology.....AND he welcomes suggestions for future presentations.*
