

IS MEMBERSHIP FOR YOU?

Love Living at Home is a Gateway to Relationships and Resources.

Love Living at Home is for anyone in Tompkins County age 62 and older. It is not a physical neighborhood. It is a mutually supportive community of neighbors who desire to stay in the home and neighborhoods they love.

So, you may be saying “WHAT’S IN IT FOR ME”, well...

- If you find yourself wishing you had more to do
- If you still like learning
- If you want to be more social
- If you could use some help lifting or moving something
- If you have something you have that needs fixing
- If you have avoided going somewhere because you do not want to drive or you don't have someone to go with
- If you wish you had a neighbor to call
- If you want to support an exciting new initiative
