

# *North Puget Sound Bike Alliance*

The North Puget Sound Bike Alliance (NPSBA) is an informal partnership of bicycle clubs in Snohomish, Skagit, Island and Whatcom counties. We work together to share ride information and promote each club's major fund raising rides. Club riders can participate in other club's rides at a discount. Club members that participate in at least 3 out of 4 of the major rides qualifies for a "Triple Crown" award.

During the summer, each club hosts a ride dubbed the "Hidden Gems" to show off the best riding opportunities in each club's area. As our alliance grows we will look for more ways to work together to make all of our clubs stronger and to promote bicycling throughout the North Puget Sound region.

The clubs that make up the NPSBA are:
