

Southern Regional Chapter Golf Tournament

This year, we held our annual fundraising golf tournament in the Spring instead of the Fall. In April 30th 2017 at Bear's Best Atlanta Golf Club, we raised \$9,995.00 during this tournament, and 47 players and board members enjoyed the fundraising golf tournament in the beautiful weather. After the game, all the players were gathered at the club house for the trophy, award ceremony, and dinner.
