

Interested in becoming a Sponsor to the VVAA?

To begin with, the Virgin Valley Artist Association is a nonprofit organization whose charter is to bring art to the citizens in the City of Mesquite for over 10 years. To that end, we operate the Mesquite Fine Arts Gallery, the fine arts classroom, pottery studio, and artist studios. We generally have well over 200 members every year for the last several years.

In various months, we hold artists' exhibits or competitions tailored with different themes. Businesses within the area support our exhibitions through sponsorships which helps defray the cost of artist prizes, receptions, ribbons, etc. Many of our sponsors have been long time supporters and return each year.

As a sponsor, you will receive advertising through various outlets, The Desert Valley Times, Mesquite Local News, posters which are strategically hung in various areas throughout our valley, website advertising and social media, and documents which you can add to your own communication efforts such as newsletters, websites and social media. And our receptions not only honor the artists, but the sponsors.

Please visit our gallery and see how important our operation is to the City of Mesquite. We have come a long way since we opened our doors.

Sincerely,

Katherine Cole  
VVAA President
