

2017 Endless Summer Watermelon Ride Parking - There is plenty of parking near the Atlantic Recreation Center. The largest available parking area is at the Beach (address 6 N. Fletcher, Fernandina Beach, FL 32034 ) and there will be a great sunrise coming up over the beach just as you are arriving. There is also limited parking along Atlantic Blvd. west of the Recreation Center and on the baseball field behind the Recreation Center. Please do not park in front of the Recreation Center, south of the baseball field or in front of Prince of Peace Lutheran Church. (They hold church services on Sunday).

If you are staying at a nearby hotel (most of them are within 4 miles of the Rec Center), you can pick up your packet on Saturday and bicycle to the start. Just remember, it will be before sunrise so you must use front & rear bicycle lights.
