The diagram illustrates two sign configurations. The bottom configuration shows a right-pointing arrow, a red square with the letter 'R', and a green square with the letter 'G'.

IMPORTANT NOTES:

1. Faster riders passing slower riders clog up the roads and make riding less safe for those passing and those being passed. Thus the 101, 75, 55 and 30 mile routes will start at 7:30am based on expected riding speed with the fastest going first. Please position yourself or your group in the appropriate location at the start. 20 miles rides start at 8:00am. All riders must depart by 8:15am.
2. The Endless Summer Watermelon Ride on road support including rest stops and SAG vehicles ends at 4:30pm (about 9 hours after the start of the ride)
