## SummerTour 2017

This will be the 28th SummerTour. Moving forward, and as you have already heard, SummerTour is moving to a one overnight site format. This is in response to what you wanted. This is a big change over last year but we have kept a lot of what you have cheered about including the same caterer for included meals. We are excited as you are to start this new format.

Over the years the tour has changed from following DALMAC routing to a circular route from various locations to layover sites and optional routes. This has, again, been in response to what you the riders have wanted. For 2017, the tour will be based out of Burt Lake State Park in Indian River. The tour will still have the biking / camping format. You will set up your tent only once. Route options for five days of riding will be available. We have added even more route options to include paved and compressed stone trails. So bring your friends and maybe a second bike.

Another change is the application process. We will be using TCBA's Club Express. A full tour description is available at TCBA's "rides and tours" page or [biketcba.org/summertour](http://biketcba.org/summertour) **Please check this site for a link to the on-line application which will go live on January 7 at 6 P.M.**

It will be a great tour and we hope you tell us that when we see you on the tour.

**Stops4U Coordinator:** Develop a list of businesses along the DALMAC routes that might interest DALMAC riders (restaurants, grocery stores, pharmacies, bike shops, etc.) Obtain information for developing this list by contacting local chambers of commerce, DALMAC SAG drivers, DALMAC riders, etc. Organize the list by route and in the route sequence from beginning to end. Contact the businesses/organizations, electronically if possible, prior to DALMAC to inform them that we are coming, what date, and the ap-

proximate time frame riders will be in their area so they know what to expect, and or serve.

Since this is a new function, anyone taking on this duty can develop the position as their imagination leads them.

Anyone interested or having questions should contact Ken Hendrick at [director@dalmac.org](mailto:director@dalmac.org) or call 517-420-0849".

## Advocacy Committee Report

Nov. 2016 Advocacy Committee Report By Mike Unsworth

### Ingham County Road Projects

At our monthly meeting, we met with Bill Conklin, head of the Ingham County Road Department. He distributed a list of proposed federally-funded Transportation Improvement Program and Construction Schedule projects. We discussed the 2019 Okemos Road reconstruction, the addition of "Share the Road" signs on the recent reconstruction of Park Lake Road, the 2017 Jolly/Okemos Roads intersection reconstruction, the 2017 Jolly Road reconstruction, the widening of Park Lake Road to the proposed Costco Store, and problems in the automatic detection of bikes at "signalized" intersections. For details, see the Meetings section of the Advocacy web site ([biketcba.org/Advocacy](http://biketcba.org/Advocacy)).

### Survey of Political Candidates

We e-mailed surveys to 300 candidates for local office (county level and lower). Fifty-four candidates responded for a rate of 18%. We posted the results on TCBA's web site and several members reported on how useful the information was. Another result was the identification of public officials who support bike infrastructure. Speakers Bureau Dan Stockwell is continuing work on an inaugural presentation.

### East Lansing Costco

Costco asked the City of Lansing for a variance from its rules providing pedestrian and bicycle facilities. The TCBA Board wrote to both the East Lansing City Council and the Meridian Township Board (which has to approve any devel-

opment on the parcel) that no variance for sidewalks and bike parking be granted to Costco. We don't know yet when the two communities will vote on approval of Costco's request.

## Bike Rack funded by TCBA by Bob Lovell

The Unitarian Universalist Church of Greater Lansing moved to 5509 South Pennsylvania Ave, Lansing, this summer. We had to leave our home made "plumber's nightmare" rack behind. Our new building is adjacent to the South Lansing Trail. I thought a cool bike rack would help us make an environmental and community statement, so I sought and received permission to apply for a TCBA grant. As a member of TCBA's Advisory Committee I knew about the program. We're happy to join you in support of biking; we've had an active bike group for over 20 years.

This is to thank TCBA for the generous grant that enabled us to purchase the bike racks in the picture. It appears prominently when driving or riding up the main entrance, and many church members have expressed appreciation.

We missed our goal of installation by Labor Day due to soil conditions and bad luck with weather, but it is now ready for use.

The following item appeared in our bulletin this week:

**We Have a Bike Rack!**

The bike racks are here at last! The racks were purchased through a grant from the Tri-County Bicycle Association. Materials for the concrete pad were a gift from Kathy and Bob Lovell. Labor was a gift from Brian Murphy, Tom Potter, Rob Mack, Stuart Campbell, Dennis Corey, Bob Lovell, and others who dug into that rock-hard clay or spread sand and concrete.

Recurring rides are now on BikeTCBA.org. To view rides, go to the TCBA website, [biketcba.org](http://biketcba.org), Event Calendar.

## DALMAC® Treasurer Needed!

Submitted: Diane Sherman

### DALMAC® Volunteer Position:

An exciting volunteer opportunity awaits!! Here's a chance to see DALMAC from behind the scenes - and be the most popular person around! The DALMAC Treasurer job is open. Lots of perks, lots of nice people. The person with the money is always well loved!

I would like to "retire" after 6 years of doing this job. I will be very happy to train the next person and provide lots of support. I have very thorough procedures. It's mainly writing checks, processing refunds through the online registration system, and keeping the books. The busiest time is in September when the volunteers who worked on DALMAC send in their requests for reimbursement.

I plan on finishing out this year but it would be nice to begin briefing a new person. Please let me know if you are at all curious and I will provide some more information.

## M-22 Challenge, Fall Colors = Special TCBA Rates Submitted by Scotty Seward

As a recently joined TCBA Member, I noticed that you reported donations to The Sleeping Bear Heritage Trail.

We at Birch Shores Resort are Friends of Sleeping Bear Dunes and also Contributors and Sponsors of The Trail.

We have decided that the rest of the Membership could be interested in more information about biking and hiking The Sleeping Bear Heritage Trail, 2 miles north of our Guest cabins on Little Glen Lake. This paved, 10 feet wide nature and bike trail, is being expanded from the current 18 miles to about 39 miles, from Northport to Platte Lake. It parallels M-22 & M-109 at present and has few road crossings.

Click below for more detailed information:

<http://friendsofsleepingbear.org/projects/sleeping-bear-heritage-trail/>

This is the only bicycle trail in Sleeping Bear Dunes National Lakeshore. In winter it is groomed for cross-country skiing (both classic and skating styles) and snowshoeing. It is mostly paved, but has a short section of packed gravel through the Port Oneida Rural Historic District. The trail spans about 18 scenic miles between Empire and Basch Road, with the Dune Climb, historic Glen Haven and the town of Glen Arbor along its route.

The beautiful fall Color season is fast approaching and the M-22 stretch has been nationally ranked for the Fall color.

The Sleeping Bear Dunes National Lakeshore area was deemed "The Most Beautiful Place in America" by the TV show "Good Morning America" in 2013. See the Y-Tube video at:

**We are offering a Special Discounted Rate until June 16, 2017 to the Membership of the TCBA for our Aspen and Hemlock cabins on Little Glen Lake for \$100 nightly, including the M-22 Challenge week (900 competitors) of June 3 to 10, 2017..\$150 nightly for up to 8 Guests is the normal rate.**

The rustic cabins are nicely equipped...Whirlpool Gold gas ranges & GE Profile appliances, on the lakeshore, each sleep 8 guests in 3 bedrooms. By rustic, we mean that there is no TV, no dishwasher, no washer/dryer, no Wi-Fi and guests furnish their own bed linens & towels.

<http://www.glenlakevacations.com/TheLeelanau2007.html>

Surrounded by Nature's Beauty, a view of the Dunes and the Lake, wonderful wildlife of deer, ducks, young foxes and birds...Plus, we furnish a bike rack, 5 kayaks and a Lund fishing boat, FREE for the use by our guests.
