SummerTour

P.O. Box 22146

Lansing, MI 48909-2146

SummerTour is three tours in one.

Roads, Routes and Maps will take you through the Lake Michigan shoreline tourist towns. Ludington, Pentwater, Silver Lake, Montague and Whitehall. Plus, the towns on the Hart/Montague rail/trail such as Mears, Shelby, New Era and Rothberry. And visits to Scottville and Hesperia.

Drive and Ride to the Fred Meijer/Berry Junction Trail, starting in Whitehall. Why stop there? Take your off-road bicycle to the nearby Pentwater Pathways dirt trails.

Ride Your Own Story. Grab your county maps and explore the thin, gray lines (gravel) or the dashed red ones (seasonal). SummerTour will be in the same place at the end of the day. Lost at the end of the day? We'll laugh, but a SAG driver will come and get you.

NorthWest Tour 2019

Jeff Dillingham, Tour Director

Experience sand dunes and sandy beaches, small lakes and Great Lakes, orchards and vineyards, and the northwest Michigan charm of resort towns like Empire, Glen Arbor, Suttons Bay, and Traverse City.

NorthWest Tour is a five day bicycle tour in the beautiful Sleeping Bear Dunes and Leelanau areas of Michigan's northwest Lower Peninsula. The tour features great scenery on good roads through many small towns and tourist areas, all from the convenience of a single camping location. Indigo Bluffs Resort, 3.5 miles east of Empire, will be our host for the tour.

The tour begins on **Wednesday, June 12 and ends on Sunday, June 16**. There is camping

available starting on Wednesday after 12:00 Noon. On Sunday riders must return to the campground in time to pack and leave by 3:00pm.

Daily routes typically have shorter and longer options of about 30, 60, and 100 miles. The first and last days are of the shorter variety to allow for travel time. **Be prepared for hilly terrain** no matter which routes you take.

This is primarily a tent camping tour. Our campsites are in a wooded area, with nice restrooms and showers. Anyone not tenting must reserve their site directly with Indigo Bluffs RV Park, at 231-326-5566.

Included in the basic **fee of \$190** are tent camping facilities, route maps, SAG service, and meals. Breakfast and dinner Thursday through Saturday and breakfast on Sunday are provided and served under a large canopy in the camping area. And now, added last year, a cookie stop or two on the route!

There are also group campfires with S'mores and munchies on some evenings, a concert featuring great local talent, and a pretty awesome raffle!

Registration is online only and starts on Sunday, January 20 at 7pm. The first **300** entries will be accepted. We recommend that you **apply promptly** as the Tour fills quickly! The registration link and the Tour guidebook can be found on our webpage at:

biketcba.org/nwtour

Hope you can come and "Bike The Bear" with us!

WANTED: TCBA MEMBER TO HELP RECRUIT, TRAIN, AND SUPPORT RIDE LEADERS

The TCBA Board is looking for a member to help with the following in 2019:

Recruiting

- Following up when a potential ride leader is identified
- When needed, advertising for new ride leaders in the *Chainwheel Chatter* or using other media

Training

- Training a new ride leader yourself or connecting them with an experienced mentor/trainer ride leader in their own neighborhood
- Perhaps organizing ride leader "orientation sessions"

for those who might want to learn to lead

Supporting

- Encouraging and supporting ride leaders to schedule Class "D" rides for new/inexperienced riders
- Ensuring all ride leaders have ready access to *TCBA Ride Sign-up Sheets*, either online or in paper form
- Improving the existing system for collecting and archiving completed *Sign-up Sheets*.

If you are interested, please contact any Board member

Bicycle Helmet Safety Institute**The Helmet Update - Vol. 36, #8 -- December 14, 2018**

Virginia Tech publishes more helmet ratings

Virginia Tech has published more STAR system helmet ratings, bringing the total up to 50. Six of the additions earned 5 Stars and another 9 were 4 Star, the range that Tech recommends. Of those, one was also rated tops for impact protection by Consumer Reports, the Schwinn Intercept. It retails for \$18.

Most of the top performers in the Virginia Tech testing were MIPS models, reflecting in part their use of the same methodology that MIPS uses: sticky headform, tight strap, severe anvil angle, rough grippy anvil, no neck. That methodology couples the headform more tightly to the helmet than it would be in the real world. It would be expected to favor the MIPS models, unlike the Snell Foundation's research that showed no benefit from MIPS.

There is still no consensus that the Virginia Tech formula for rating helmets for concussion pinpoints the helmets that reduce concussion the best. Changes to the tested helmets to improve their scores might not result in fewer concussions in the field. But since established standards organizations have failed to respond to concussion concerns, these ratings represent a good start at testing helmets systematically for lower-level and rotational impact performance.

We have a page up that matches the Consumer Reports and Virginia Tech top-rated helmets, resulting in a grand total of seven where the two concur. <https://helmets.org/bikehelmetratings.htm>

January 2019, the *Chainwheel Chatter* will be published only in PDF (portable document format) available on the TCBA website at <https://www.biketcba.org>

Bikes: Science on Two Wheels

More than 40 bicycle, historic and modern, form the centerpiece of “Bikes: Science on Two Wheels” at the Kalamazoo Valley Museum September 22—January 6.

kalamazoomuseum.org

The bicycle, or some version of it, has been around since the nineteenth century, and it is still a popular form of transportation today. Bikes are a part of our everyday life from childhood through adulthood, but we don't often notice the science behind this wonderful invention. In the exhibit BIKES: Science on Two Wheels, we get to see over 40 variations of bikes from the late 1800's to modern times, including the classics and oddities. Through a dozen interactives, visitors are able to engage in the science, history, design, and art behind the bicycle!

On display are four sections that take us on a tour and show us the cultural impact the bicycle has had on our world!

The Origins: Features the evolution of, and the precursors to, the modern bicycle.

The Classics: Showcases bicycles from the 1930's to the late 1970's.

The Sport Bikes: Focuses on multi-speed bikes and the change in technology.

Oddities and Offshoots: Displays examples of "not so ordinary" bikes.

This exhibit is organized by the Carnegie Science Center in cooperation with the Bicycle Museum of America.

December 4 Board Meeting Minutes

Deb Traxinger, TCBA Secretary

President Patrick Kelley called meeting to order at 6:30 PM. **Present:** Bill Smith, Deb Traxinger, Harry Levins, Steve Leiby, Ken Schwartz. Dave Mansfield, Patricia Mead, Dwayne Scheidler **Absent:** Bob Noble. Meeting agenda approved.

Correspondence received: Club received thank you notes from the League of Michigan Bicyclists for our participation in the \$1 Per Rider Program, from TART Trails for our sponsorship of a mile marker on the Leelanau Trail, and from Pathways to Sleeping Bear capital campaign for our donation to the Sleeping Bear Heritage Trail.

Member Input: Dwayne Scheidler reviewed and explained the TCBA/DALMAC insurance policies and the premium increase.

Board Reports

President: Pat Kelley

- **ClubExpress:** Dave Mansfield gave a short update
- **MSU's "Thistle" Street Team:** Members of team attended a DALMAC meeting and are working on doing a marketing video on DALMAC and upgrading Facebook page. Team's objective is to develop a marketing strategy for TCBA, DALMAC, and DALMAC Fund. Ken Schwartz stated a critical TCBA need is to attract younger members. He suggests creation of a multi-bicycling-organization member database. Board discussed pros and cons of suggestion.
- **Bylaws Update:** In an Oct. 3 email, Harry Levins and Deb Traxinger recommended

making it harder to amend the Bylaws. The Board tabled the issue.

- Transition Dinner will be held December 13 at 6 pm at the Kellogg Center.
- **Chainwheel Chatter:** December 2018 issue of newsletter will be final printed edition. A rack card advertising TCBA/DALMAC websites has been created. Waiting for a price quote from printer. This postcard will be distributed to local bike shops and other places to replace Chainwheel.
- **Next board meeting:** Jan. 28, 2019
- **Bridge Authority:** Dick Allen has urged us to continue to ask Bridge Authority about a possible DALMAC crossing. Pat Kelley has contacted them twice and is waiting for response.
- **Bill Smith, VP:** Bill is stepping down after 5 years of serving as TCBA Vice President. Board thanked him for his work and dedication to the club.

Vice President: Bill Smith

- The Holiday Party will be held Dec. 6 at Peacock Road Farm. Seventy-five people have signed up.

Secretary: Deb Traxinger – no report.

Treasurer: Harry Levins

- **Financial Report:** The financial report was reviewed. Motion to approve by Deb Traxinger. 2nd Bill Smith. Approved.

November 2018 Advocacy Committee Report By Mike Unsworth

Discussion with Bill Conklin, Director, Ingham County Road Department, at our November 14 meeting

The Committee has been fortunate that Mr. Conklin has annually visited and brought us up to date on Department's activities. By outlining the complex structure of road funding in Michigan, he demonstrated it is difficult for road agencies and construction firms to do rational, long-term planning.

The 2015 road funding increase was intended to restore State's roads to "fair condition." If the 2015 package hadn't passed, then road agencies would have only enough resources for maintenance of the status quo.

Bill explained a preliminary map of 2019 projects his Department hopes to do. One area of concern is the rebuilding of downtown Okemos (the intersection of Okemos and Hamilton Roads) may not have enough room for bike lanes.

When asked about how citizens and groups like TCBA can correct the funding uncertainty, he said we should urge our legislators to construct a solid, long-term plan of funding.

2019 Preliminary Advocacy Budget

We reviewed the categories and were satisfied with it

Ingham County Trails Millage

Ten jurisdictions submitted thirteen projects for 2018 round; totaling \$8.8 million. Millage will produce for 2018 about \$3.5 million. Ingham County Parks Committee will rank projects on December 10 and send to County

Commission which will review in January 2019. For more information on specific applications see pp. 5-50 of <http://pk.ingham.org/Portals/PK/Packets/2018/NOV-13-COMM-CMPLT-PKT.pdf>

A special meeting of trail stakeholders on wayfinding signs for trails system was held on November 1. Prior to meeting, the County Commissioners disagreed with the consultant's estimate of \$1.4 million to sign the system. Participants discussed options for having a more affordable proposal.

Next Steps for Advocacy Committee

This topic will be the only item for January 9, 2019 meeting. Mike Unsworth will continue as Chairman until February 1, 2019.

TCBA Advocacy Committee (<http://advocacy.biketcba.org/>) meets second Wednesday of each month at League of Michigan Bicyclists, 410 S. Cedar St. Suite A, Lansing, MI (across South Cedar Street from Wendy's) from 6:30 to 8:00 p.m. Everyone is welcome to attend.

Advocacy Tasks By Mike Unsworth

TCBA Advocacy Committee Activities by Michael Unsworth

The Advocacy Committee needs a new division of labor. The goal is to spread the work around so the new chairperson doesn't get overwhelmed with work.

The first part of this article is the Advocacy Committee's Mission Statement followed the work the Committee has done in the past several years.

Mission Statement (from the Advocacy web page)

- Develop a safer bicycling environment
- Promote public awareness of bicycle safety issues and concerns
- Promote bicycle commuting and touring
- Educate governments, organizations and companies on strategies to encourage safe bicycle travel
- Work with other organizations to carry out this mission and activities relating to non-motorized transportation

Changes to TCBA Membership Dues

The TCBA Board of Directors has voted to increase membership dues effective January 1, 2019. The increases are modest, as shown below. For a one-year membership, individuals will pay \$5 more per year, and families will pay \$7 more per year. For a four-year membership, individuals will pay only \$4 more, and families will pay only \$8 more. If you renew for four years, the per year cost for an individual is only \$9 per year; for a family, it is only \$12 per year. With the new rates, family dues are always 33% higher than individual dues, regardless of the number of years selected. In addition, for both individuals and families, the greater the number of years you pay for, the lower the per-year price you pay.

Old and New Membership Dues Rates		1-year	2-year	3-year	4-year
Individual	Current (2018)	\$10	\$16	\$24	\$32
	New rates effective Jan. 1, 2019	\$15	\$24	\$30	\$36
Family	Current (2018)	\$13	\$20	\$30	\$40
	New rates effective Jan. 1, 2019	\$20	\$32	\$40	\$48
