Val d'Isere, France - Is located in the Savoy Region of the majestic French Alps, Val d'Isere is one of the world's largest and most famous ski resorts. Dare to join a limited number of select people and ski the Olympic slopes of Val d'Isere in the tracks of Jean Claude Killy! Val d'Isere offers enough challenge to make this region the favorite of accomplished skiers, yet the wide-open, rolling slopes make it all seems easy. It is literally possible to ski day after day without taking the same run for a second time. There is some easy-to-intermediate skiing high on the Solaise and Belvedere complex, but the long, tough route back down to Le Laisinant is for the expert only. Enjoy Espace Killy and from Val d'Isere to Tignes for many hours and miles of skiing.

The Hotel Altitude*** is ski-in/ski-out chalet-style hotel, located just steps from the legendary Face de Belvedere ski slope and has a warm and charming atmosphere. The restaurant is warm and cozy, featuring authentic Savoyard décor and serves the finest of local products with their traditional French cuisine. At the foot of the Olympic gondola, the Altitude has an excellent ski-in, ski-out position, 3 minutes' walk (300m) across the slopes from the village center. Most rooms have a balcony with an appealing view. Overview of facilities: Lounge with open fire; cocktail bar; restaurant; fitness center with sauna and steam room and gym; ski room with boot dryer; lift; free Wi-Fi in public areas.
