**26th PHCC-SA Perry Beyer Jr.
Memorial Fishing Tournament**
Fulton, Texas
September 25, 2021

This PHCC Fishing tournament began as a company fishing event for Beyer Plumbing & Mechanical held at Woody's in Port Aransas in a tent out in the parking lot! Over the years, as the Beyer Boys continued to support the two local trade associations, the San Antonio Air Conditioning Contractors of America and the San Antonio chapter of the Plumbing, Heating, Cooling Contractors, this event eventually split to form two separate successful fishing tournaments for each Association today!

This year the PHCC-SA Memorial tournament is renamed to recognize the many contributions to PHCC-SA chapter and the fishing tournaments' initial beginnings to honor Perry Beyer Jr. and his passing from cancer in Nov 2020. Upon Perry's passing, the Beyer Family established the Beyer Cares foundation in memory of Perry and to honor his wife and Vice President, Cindy Beyer who was diagnosed and survived with breast cancer in 2007. Beyer Cares realizes that not only their family is effected but millions around the world, including South Texas, are directly affected by this horrible disease. This foundation has a goal to help fund research for a cure to cancer and aide families whom are going through the disease. This tournament will continue to honor all our plumbing family that have passed on and the legacy they have made on the industry in San Antonio.

A portion of the funds raised from this event have been designated to go towards the Beyer Cares Foundation and the PHCC-SA chapter Plumbing Apprenticeship program held at St. Philip's College campus to help with funding the program, scholarships & the annual apprenticeship contest!

To date, the program has 58 apprentices successfully graduating the 4-year program with a current enrollment of 53 students from PHCC member companies sponsoring their enrollment.

PHCC-SA realizes we are helping to fill a great need in the PHC industry for quality, trained young professional individuals!

The majority of the funds raised from this fundraiser are budgeted for the daily operations of this local independently managed PHCC nonprofit chapter.

The profits are used & stay in San Antonio!

THANK YOU for your continued support of PHCC and the industry! With your commitment, you can help us to **KEEP THIS CHAPTER SUCCESSFUL** in our goals to train & educate the industry for the protection of the environment, health, safety and comfort of society as **PHCC has done since 1883 - the oldest trade association in America!** The PHC industry has such an important role and obligation.

***We hope you can help with sponsorship support,
Participate in the event with family & employees,
And plan to have a great time with your peers!***
