Thank you for your support! Please make checks payable to: Safe Harbor

Dear Friend of Safe Harbor,

On May 5, 2018, Western Carolina Sailing Club, a non-profit organization, will again host the Diva Regatta to benefit Safe Harbor. Over the last 5 years, this event has raised more than \$16,000 for Safe Harbor, which provides a continuum of services for victims of domestic violence and their children. They also strive to eliminate cultural acceptance of domestic violence through a coordinated community response, prevention and education. The aim is to influence a culture where all people are safe and valued in their relationships.

The Diva Regatta draws supporters of Safe Harbor - individuals passionate about the cause of domestic violence services and advocacy. It also draws individuals who enjoy sailing, food, beverages and auction components.

You and your company are invited to participate in this year's event through sponsorship contributions. We have designed several sponsorship levels to allow you to participate in the regatta activities while supporting a great cause. Participating as a sponsor is a great way to provide exposure for your company.

We would be honored to count you as a supporter of Safe Harbor!
