## Membership information

---

The Western Carolina Sailing Club welcomes individuals of high caliber who are interested in becoming a part of an organization that promotes sailing, sail boat racing, and social functions with other sailors. The members of our organization participate in the management and operation of the Club and its activities. Some of the benefits of being a WCSC member are:

- Increase your knowledge and boat handling abilities.
- Access to the Club facilities.
- Eligibility to participate in Club sponsored races and regattas.
- Club social events.
- Use of the club's boat storage areas so that you can leave your boat at the club if you wish. Depending on the type of storage, there are storage chairmen who consider your needs when assigning suitable spaces.

As a family club, WCSC endeavors to plan sailing, instructional, and social activities everyone can enjoy.
