

WELCOME MC SAILORS

SECOND ANNUAL LFSC INVITATIONAL MC REGATTA

This year our club is especially proud of our member

FRANK KEENAN, NATIONAL MC COMMODORE

Frank Keenan's name is synonymous with dedication to the highest principles of sailing, hard work, and "keen" competition. Enough said about Frank, extend your sympathy to Vera---she needs it!

Judges for the regatta are experienced Scow sailors, Herb Litzbarsky, Tom Rathsack, and Johnny Roy. We chose them with care---supply them with enough beer and they will get the job done!

Under the able direction of COMMODORE CARL POHLY, the LFSC has had a good year. We have installed our breakwater and have started the second phase of construction of our club house. Please excuse the mess. Next year, we hope to have better facilities for you.

Thanks for being our guest!

GOOD SAILING
