ASSOCIATION

Election of new board members will be coming up at the Annual Meeting at Lake Lanier. Three (3) governors will be elected, two for three (3) year terms, and one for a one (1) year term. Proxies from each fleet club should be delivered to the annual meeting. Also, submit names of nominees for election to the Board of Governors. No more than two names can be submitted from each fleet club.

We would like to change our by-laws, which must be done by written vote, either sent to the secretary, Larry Bischoff, or delivered to the annual meeting. The present voting system requires the governors to be elected, as well as the Commodore. What we would like to propose is that the Board of Governors be elected by the general membership, and then the Board of Governors elect the Commodore from its own membership. Please vote "Yes" for this change, or "No" if you wish the present system to remain as is.

Present board members are:

Pete Smith	(2) year term remaining
Dave Green	(2) year term remaining
Bob Lewis	(1) year term remaining
Carl Reuterdaahl	(1) year term remaining
