MC MID—WINTER REGATTA

The MC Mid-Winter Regatta was held at the Hyatt House in Sarasota, Florida, on February 24th, 25th and 26th. The facilities were beautiful. However, the winds were light in the a.m. and reasonable in the p.m. Consequently, we were unable to complete the 5 race schedule. However, we did sail 3 enjoyable and aggressive races.

Our special thanks go to Carl Reuterdaahl for chairing this event. On behalf of those in attendance we further extend our sincere gratitude to:

- Mr. & Mrs. Bert Reuterdaahl for hosting the Friday night cocktail party
- Charlie Harret, Sr., for traveling all the way to Florida to be our distinguished Race Committee Chairman, ably assisted by his "Angels" Weezie Reuterdaahl, Kathy Fox, Fran Lewis and Joyce Price
- Ron Frankel and Melges Boat Works for their donation of ice cold beer throughout the Regatta.

The top 5 finishers were:

Charlie Harret, Jr.
Scooter McKinsey
Ron Frankel
Paul Eggert
Carl Reuterdaahl

DUES PAYING TIME

Enclosed you will find a statement for 1978 MC Class dues. For those of you who have paid already, please ignore the statement. For those who haven't, please enclose your check and send it on to the Central Office.

TWO NEW FLEETS FORMED

Fleets number 13 and 14 have been established. Fleet #13 is located in Memphis, Tennessee. Frank Donaldson is the Fleet Captain, and he reports that they have started with four boats and plan for more this summer. Fleet #14 is located on Lake Lotawana, Lee's Summit, Missouri. Orlando Webb is their Commodore, and five boats are presently active, with more to come.

We welcome these new members, and hope that they participate in many MC events. This is also a good indication of the continuing popularity of the MC.
