Lenkeit Wins at Lanier

Lake Lanier Sailing Club, Lake Lanier, Georgia held their First Annual MC Rebel Rouser Regatta, April 7-8. Five races were scheduled. Three were sailed Saturday afternoon under excellent conditions; fine race committee, fairly steady winds 10 to 12 mph and sunshine. Sunday was a different story. After waiting for wind the fourth race was sailed but the fifth race was cancelled just before the start as winds and sea forced the twelve boat fleet back to the docks.

When the points were tallied, Willi Lenkeit, the former National Champion from Lake Lanier, was the winner.

Nationals, October 12-14

If you haven't already, start making plans for the 1979 MC Nationals in Shreveport, Louisiana. The dates are October 12, 13, and 14. This is a fine club with excellent personnel to run races and the regatta. The winds at that time of the year are usually good, and the weather should be warm and comfortable. Due to possible energy crunch, the Board recently voted to permit an MC owner to skipper a borrowed or chartered MC for the regatta.
