

POLAR BEAR REGATTA - Fleet 20 of Davenport, Ia. hosted this event October 2-3, which was attended by 28 boats from five states. Although only two races were completed in moderate winds on Saturday, the competition was keen as five of the top ten finishers from the 1982 nationals were entered. Next year's regatta should be an excellent tune-up for the 1983 Nationals. 1st - John Bates, Fl. 20; 2nd - Dan Quiram, Fl. 20; 3rd - Jon Pohlmann, Fl. 20; 4th- Skip Johnson, Fl. 22, White Bear Lake, Mn.

1983 NATIONALS - The dates of October 7-8-9th have been set for this event, to be hosted by Lake Lanier Sailing Club Fleet #3. (Flowery Branch, Ga., about 45 mi. north of Atlanta.) Too early for any more information yet, but mark your calendars. Great lake, camping facilities (club or Corps of Engineers' fine park adjacent) RV parking, showers, and southern hospitality.

PUBLICITY - Boating publications and USYRU are all anxious to include the MC in one-design schedules, and report results. TIMELY information is imperative -- so please be sure to send your regatta schedules well in advance of event date (aim for 3 months early!) then follow up immediately after the regatta with finishes - skipper's name, home town, boat no. The publications may well reach unaffiliated skippers not on our mailing list whom you would like to have build your attendance. Reaching sailors tired of hunting crews but who still want a GREAT BOAT will certainly help IMCCSRA growth with boat sales.
