

NEWS LETTER

July 30, 1984

1984 NATIONAL REGATTA & ANNUAL MEETING - Start planning now for October 4, 5, 6, 7th, when Fleet 5 will host the big event in Dallas, according to the invitation enclosed. For the Annual Meeting, proxy forms are being sent to IMCCSRA members in good standing. We hope you'll come and sail - but if you just can't make it, please do return your form ASAP. Four Board of Governors' positions are to be filled; please be thinking about candidates for the Board and mail in your candidate nominations or be ready to nominate from the meeting floor.

A new "Master's Perpetual Trophy" has been donated for the Nationals by Dave Greene of the Dallas fleet. This is to be awarded to the skipper 50 yrs. old or older with the highest finish in that category. Dave also advises of Fleet 5 activities in fund raising to support their Junior fleet and a 2-day intensive teaching USYRU racing clinic for the juniors which produced amazing improvement in the juniors' skills. Anyone wishing details on this commendable endeavor for the juniors might write Dr. Dave Greene, 2837 W. Illinois, Dallas, Tx. 75233. Do any other clubs have similar information they would like to share? If so, please send scoop to the Executive Secretary and we'll be glad to pass it along as desired.

IN MEMORY OF GEORGE DORN - On June 30th, George suffered a massive coronary while sailing his MC 711 in a race at Lake Beulah, E. Troy, Wi. He will be remembered as founder of LBYC's MC fleet #15 in 1978, past commodore of LBYC where he was a major innovator of ideas for the club's progress. Above all, we'll remember a gentleman of charm, wit and true sportmanship. To Gwen and their family, we extend our sincere sympathy.

FLEET #26 IS CHARTERED - at Pistakee Yacht Club, PO Box 111, McHenry, Il. 60050. Carl Waring has been the organizer, and with Jerry McBreen and Dr. Forrest Kogut qualifies for the new fleet. More fleet members are expected to join in the MC fun soon. We're pleased to welcome them aboard as the first Illinois fleet. Carl's address is 35344 N. Lake Shore Dr., Ingleside, Il. 60041.

FOR "SNOWBIRDS" WHO PLAN AHEAD - for winter warmth and sun - we've learned that the annual Citrus Bowl Regatta will be held December 8-9th, on Lake Monroe, Sanford, Fl. Anyone wishing further information may write John Gardiner, 1325 W. Colonial Dr., Orlando, Fl. 32804. No doubt a separate MC class start will be provided with a minimum of 5 boats.

UPCOMING FLEET REGATTAS - Two, same day, are upon us, August 4-5th. Fleet #22, White Bear Lake, Mn. will host the first MC Matoska Regatta, and we understand Fleet #25 will host an event on Glen Cunningham Lake, Omaha. The rest of the schedule, known as of now, is -
August 24-5-6 Fl. #14, Lake Lotawana, Mo. - Orlando Webb Memorial
September 15-16 Fl. #7, Spring Lake YC, Spring Lake, Mi.
September 28-29 Fl. #20, Polar Bear Regatta, Lake Davenport SC, Davenport, Ia.

Please be sure regatta race results are mailed to the Executive Secretary immediately after your event. We're only successful with publicity if our input is timely.
