

REGATTA RESULTS:

MC Fleet 3 and Lake Lanier Sailing Club hosted the 8th Annual Rebel Rouser Regatta on April 25-27, 1986. The weather was perfect, but the wind was light and variable; four races were scheduled but only three were sailed. Racing was very close, and only one point seperated the 2nd from the 5th boat. David Weaver of Eustis FL was awarded 1st place & received the Hill Bermont Perpetual Trophy for single-handed MC winner and the Lombardini Perpetual Trophy. Dr. W.B. 'Bill' Crum of Bartow FL took second overall and the Masters Trophy. Pete Smith of local Fleet 3 took the 3rd spot. On Friday evening, Doreen & Bill Gilmer hosted a cocktail party & dinner at their lovely home on the lake; followed on Saturday by a superb dinner at the club hosted by Anita Lenkeit and ably assisted by Jean Burke, Doreen Gilmer and Peg Bruschi. One of the highlights occurred during the 2nd race when the 3 lead boats missed the leeward mark and were later informed by the race committee at the finish line. The participants of this loss of memory were serenaded by Doreen Gilmer with excerpts from the three blind mice, and suitably awarded with dark glasses, canes and tin cups! (Submitted by Caesar Bruschi - thank you!)
