

80° at Polar Bear!

Lake Davenport (on the Mississippi) Sailing Club,
Davenport, Iowa
September 30 - October 1, 1989

The balmy breezes were pretty light on Saturday allowing only one race on the Mississippi. Sunday the breeze picked-up enough for two races, but came out of the south which makes for short windward-leeward legs on the east-west flowing Mississippi at the race course.

Ted Maitland won two races and Skip Johnson the third, but it was Mr Consistency, John Bates, who sailed off to top honors. Hardy Will showed the way for the fourteen masters at this event.

Rebel Rouser Returns

Lake Lanier Sailing Club, Lake Lanier, Georgia
October 7 - 8, 1989

After a year off, the MCs sailed again in the Rebel Rouser. Lake Eustis sailor, David Cleaver sailed to top honors winning the Lombardini perpetual and Hill Bermont Single-Handed trophies. Winds and weather were excellent and next year we'd like to see more sailors from the north and west enjoy our Georgia hospitality and great sailing on beautiful Lake Lanier.
