Central Iowa Spring MC Regatta May 20-21, 1989

Our thanks to Harrison Pratt for the following report on this first-time regatta hosted by Fleet 34 of the Saylorville Yacht Club, Des Moines, Iowa at Big Creek Lake.

"An on-and-around-the-water MC demonstration session was held on Friday evening for potential new boat owners by Skip Johnson, Scott Ripkey, and several of the local fleet members. Some of the visiting sailors took advantage of this time to test the lake and tune up their winter-weary sailing reflexes.

"Sailors who came Friday joined the local sailors at the Coco-nuts Lounge later in the evening for refreshments and conversation by the fireplace -- where the waitresses were judged 'impressive' by some of the more enthusiastic sailors.

"The scheduled MC Tuning Clinic was skipped, as the competitors were anxious to start sailing. The regatta was sailed on two clear warm days in light and shifty winds, with a premium placed upon sniffing out the shifts and puffs. Racing was monitored by USYRU judge Bob Hoover and two "crash boats." The absence of protests reflected the goodwill and fellowship felt by all the competitors."
